

THEODORE ROOSEVELT Kuperman's smile is as big as the button he's wearing as he takes to the streets Wednesday morning to thank the voters of New York's 17th (Silk Stocking) Congressional District for sending him to Washington. Kuperman, 45, a Republican and city councilman, won over Democrat Orin Lehman by less than 1,000 votes in a special election to name a successor to John Lindsay, the city's new mayor. (AP Wirephoto)

Supreme Court Denies Plan On Apportionment

LANSING (AP) — The Michigan Supreme Court Wednesday denied a Detroit citizens group entry into the legislative apportionment fight.

In so doing, it refused to look at an apportionment plan that all parties have agreed comes mathematically closest to perfect population equality.

Such equality has been the overriding principal demanded by the U. S. Supreme Court in legislative apportionment. It also has been the prime concern of Democratic members of the Legislative Apportionment Commission. Republican members have tried to inject other elements, such as shape of districts and the honoring of county and township lines.

O'Hara Disents
Civic Searchlight, Inc., a private group interested in good government, had filed a petition to be allowed to intervene in the 18-month-old case, or at least have its "one-man-one vote" plan considered by the court.

It had presented the plan to the Legislative Apportionment Commission, but it was rejected by Democratic members of the eight-man, bipartisan, deadlocked commission.

Justice Michael O'Hara dissented from the denial; Justice Harry Kelly did not vote. Both serve with Republican endorse-

ments. Justice Eugene Black, a maverick on the subject of apportionment, was the only member of the bench to comment on the denial.

No Choice
Black, a former Republican attorney general who has been nominated for the court by Democratic conventions, ruled the petition out of order.

"The court," he said, "has no present power of choice (between various plans)."

It merely has the power to review "any final plan adopted by the commission (and to remand such plan to the commission for further action if it fails to comply with the requirements of this constitution," Black said.

Rent Bill For Elderly Backed By 24 Senators

LANSING (AP) — Twenty-four senators introduced Monday a bill to have the state help low income senior citizens pay their rent, a program blocked last year by Gov. George Romney.

Sen. Coleman Young, D-Detroit, the measure's chief sponsor, said except for some administrative changes, the bill was basically the same as the one vetoed by Lt. Gov. William Milliken on instructions from Romney.

The bill would cost an estimated \$4 million to \$6 million and provide rent relief to approximately 60,000 elderly persons.

Called Workable
Young said objections cited at the time of the veto were the bill would hurt the state's fiscal integrity and would be too complicated to administer. "As for fiscal integrity," Young said, "the governor has seen fit to spend half the treasury surplus and his own report (by a special commission) recognized the principle of relief for elderly renters."

He added state and local revenue officials have told him the present measure would be workable. The changes, he said, were based on recommendations of Gerrit Van Coevering, deputy commissioner of revenue.

Earlier Aid
Young said the state already is committed to spend an estimated \$11 million to \$14 million on a senior citizens property tax relief program passed last year. Renters deserve an equal break, he said.

The bill provides for reimbursement of an amount equal

Congressman Griffin Will Run For Senate

Senate Bid To Repeal 14B Seen Doomed

BULLETIN

WASHINGTON AP — The Senate declined again today to choke off the filibuster against the union shop bill and thus apparently killed the measure for this Congress.

On Tuesday the Senate had rejected cloture by a 51-48 tally, 15 less than the required two-thirds.

Democratic Leader Mike Mansfield of Montana said that with his failure on the second test he was putting aside the bitterly disputed legislation for the remainder of the 1966 session.

WASHINGTON (AP) — A new attempt to win Senate approval for a House-passed bill to end the right of states to outlaw the union shop is expected to end in failure today.

This presumably would close the door for the present congressional session on the proposal to repeal Section 14B of the Taft-Hartley Act, to which the nation's labor leaders have assigned top priority. The Johnson administration has endorsed the repeal proposal.

The section permits states to outlaw union-shop contracts under which employees must join the union.

The Senate votes for the second time this week on an attempt to invoke cloture and cut off a filibuster which has blocked attempts to bring the repeal measure up for formal Senate consideration.

An initial attempt to stop the filibuster failed Tuesday when supporters of the repeal move had a 51-48 margin, 15 short of the two-thirds necessary to limit Senate debate.

The prospects were that the bill's backers would do little — if any — better today.

Democratic Leader Mike Mansfield, of Montana has said that if he failed this time to impose cloture, he would lay the bill aside and not attempt to call it up again this year.

However, the measure would remain on the Senate calendar. Presumably if something now unforeseen happens to improve its chances, Mansfield could reverse himself and try to bring it up again this session.

Mansfield first sought to get consideration for the measure last October after it had won 221-203 approval from the House.

But then, as now, a tightly knit filibuster prevented even a vote on the preliminary motion to bring the bill before the Senate.

The filibusters were directed by Republican Leader Everett M. Dirksen of Illinois and joined by most Republicans and some Southern Democrats.

SOMEONE PUT A BEE in would-be astronaut Christopher Goodyear's helmet. The someone, using an imitation bee, was Toledo Blade Photographer Tom O'Reilly, and 5-year-old Christopher played his part well to simulate a situation no real astronaut has run into yet. (AP Wirephoto)

Yanks Suffer Heavy Fire In Coast Fight

SAIGON, South Viet Nam (AP) — U.S. Army troops came under withering Communist fire today near Saigon and in the coastal rice lands. Over North Viet Nam, a pair of Soviet-made missiles knocked a Navy jet out of the sky.

Vice President Hubert H. Humphrey arrived at the Saigon airport today accompanied by South Vietnamese chief of state Nguyen Van Thieu and Premier Nguyen Cao Ky. He will leave for five other Asian capitals on Sunday after emphasizing the hopes for social, economic and political progress expressed by President Johnson at his Honolulu meeting with the Vietnamese leaders.

The brace of surface-to-air missiles hit the Navy A4 Skyhawk during a raid Wednesday on Hon Mat Island, 33 miles south of the North Vietnamese coastal city of Thanh Hoa, a U.S. spokesman reported. The pilot bailed out over the South China Sea and was rescued by a helicopter from the guided-missile frigate England.

The loss of the jet fighter-bomber was the first attributed to missiles since the United States ended the 37-day bombing pause on Jan. 31. Navy and Air Force planes kept up the heavy schedule of attacks on the Communist North, hitting bridges, trucks and railroad box cars.

Pilots reported intense anti-aircraft fire, which American military officials saw as proof of their warnings that the North Vietnamese would strengthen their air defenses during the suspension of raids.

The heaviest action on the ground broke out near Cu Chi, 25 miles west of Saigon, when a large number of Viet Cong snipers and mortar men rose like jacks-in-the-box from camouflaged openings in the huge tunnel complex in the area.

They poured heavy fire on two companies of the U.S. 25th Division who recently established positions in the area. The fighting broke out almost within hailing distance of their headquarters.

Army helicopters fired rockets at suspected Communist mortar positions, but it appeared they did not have much success. The Viet Cong apparently pulled back into their tunnels, which run for miles and are in four tiers in some places. The 25th Division troops are wrecking the tunnel system.

Top Candidate
A native of Detroit, Griffin is 42 and an attorney. He and his wife, Marjorie, live in Traverse City. They have four children, Paul, Richard, James and Martha Jill.

A maze of questions surrounds the GOP's process of picking its candidate for the task of fighting with a Democrat if he held Senate seat.

The field of possible candidates was limited to Griffin; State Sen. Guy VanderJagt, a freshman from Cadillac; and Dr. Leroy Augenstein, chairman of the Michigan State University biochemistry program, at a weekend meeting of party leaders at St. Clair.

A decision is expected to be made on one of the three when GOP leaders met again in Lansing on Feb. 19.

Political observers see the final choice as lying between Griffin and VanderJagt, with Augenstein's political inexperience presenting a handicap.

Romney Backing?
"I didn't attend the St. Clair meeting, but I've been asked by many people if I intended to be a candidate," said Griffin. "I do. We intend to work hard to

(Please turn to Page 14, Col. 2)

McNamara Set Goal Of 5-Time Representative

By BILL HALLS

Associated Press Writer

DETROIT (AP) — Republican congressman Robert P. Griffin of Traverse City announced today he will seek the Republican nomination for the United States Senate seat now held by Democratic Sen. Patrick V. McNamara.

In making the announcement, Griffin said:

"I realize that I enter the race as an underdog and that I will leave a safe seat in the House of Representatives. . . .

"Like George Romney and John Lindsay, I believe the Republican party desperately needs positive leadership and qualified, articulate candidates who will assume political risks and go forth to meet the people and the issues."

"Intend To Make It"

"I want to represent Michigan in the United States Senate," Griffin said. "Today I announce that I am going after it — and I intend to make it." He made the announcement at a news conference at the Detroit Press Club.

Griffin is co-author of the Landrum-Griffin Act, a labor management reform law passed in 1959. He is in his fifth term in Congress and was first elected in 1956. He represents Michigan's Ninth District, including Benzie, Grand Traverse, Lake Leelanau, Mason, Manistee, Muskegon, Newaygo, Oceana, Otsego and Wexford Counties.

Kennan has contended that U. S. involvement in Viet Nam in its present dimensions represents "a grievous disbalance of American policy." He has said it has sacrificed possible improvement in relations with the Soviet Union and put a "deeply regrettable strain" on relations with Japan.

Sen. Joseph S. Clark, D-Pa., and other policy critics were trying to get together on a possible amendment to a \$4.6-billion military authorization bill which might call for presidential restraint in any escalation of the Viet Nam conflict.

Clark told a reporter he may offer a policy rider but added: "I am not prepared to say what its nature is. I have it under consideration with a number of other senators."

Sen. Richard B. Russell, D-Ga., chairman of the Senate Armed Services Committee which approved the bill Wednesday, said he would oppose any policy rider which might be "damaging to the war effort and to the morale of our fighting forces and those of South Viet Nam."

Senate leaders have agreed to take up the bill next Wednesday, after a Lincoln Day vacation.

Slightly Injured?
BELDING (AP) — A 15-foot long sandstone cornice fell 30 feet from a building here Wednesday, slightly injuring two persons, police said.

Santo Domingo Riots Kill 7

SANTO DOMINGO, Dominican Republic (AP) — Labor leaders and left-wing extremists threatened a general strike today after seven persons were killed and at least 22 injured in day-long rioting in Santo Domingo.

Leftist labor and political leaders charged the police with brutality in the violence touched off by a Communist-led student demonstration Wednesday. They also renewed demands for the quick removal from the country of armed forces leaders who have failed to obey a presidential order assigning them to diplomatic jobs abroad.

Sophie Tucker Passes At 78

NEW YORK (AP) — A half-century ago as a favor to her maid, Sophie Tucker sat down and listened to a song written by a porter.

At first she tried to put it off — "They were writing more songs than I had time to listen to — but she gave in and listened to the tune by Sophie Tucker."

"I knew that 'Some of These Days' was the song for me," she said. "It has been ever since and all ways will be."

The people in the cabarets and nightclubs loved it and the song became her trademark. Big, brassy-voiced Sophie Tucker belted out the song at every performance. It didn't matter if she was doing the blues, jazz or swing.

Wednesday night, Miss Tucker, 78, "last of the red-hot mamas," yielded the spotlight after 62 years on stage. She died in her Park Avenue apartment of a chronic lung ailment and kidney failure.

From the time she was a teenager Sophie had been a performer. Asked if she had any regrets and if she would have preferred life in the kitchen she said: "I wanted show business. I went after it. I got it. No regrets."

"I tried the marriage three times, but it just didn't jell for me, not with the show business. Anyway, I made up for it in so many ways."

Sophie was born in Russia as her parents were making their way to America via Poland and the Baltic. The date was Jan. 13 and the year is believed to be 1884. But some sources list it as 1884 or 1887.

Asked about the differences, Sophie explained it this way: "I was 16 when I first went to New York. You couldn't work in a cabaret until you were 18. So I went home and painted up and piled my hair up high and passed for 20."

"So the record shows I was 20 when I was really 16 — and it's bugged me ever since. Good Lord, I won't be alive when I'm 80."

Powers Called Wicked Knifer

MIAMI, Fla. (AP) — Melvin Lane Powers has been described as quick with a knife and possessed of a venomous nature — two traits the state hopes may help brand him the slayer of multimillionaire Jacques Mossler.

One witness, Earl G. Martin, said he came once upon Powers thrusting a sharp letter opener into a table.

"He say if he had his way, and nobody would find out, he take that knife and jug (stab) and jug and jug him until he was dead."

Martin, a repairman who worked for Powers, said Powers was talking about Mossler, 69. The date, Martin said, was seven months before Mossler was slain in his Key Biscayne apartment, June 30, 1964. The victim died after being bludgeoned and then stabbed 39 times with a sharp, slender instrument.

Powers' trial with his aunt, Candace Mossler, widow of the slain victim, resumes today. The state said it plans to offer further testimony about an alleged love affair between aunt and nephew. State Atty. Richard Gerstein said in court Wednesday that this "underlies the entire case."

Veep Spurs Saigon Income

SAIGON, South Viet Nam (AP) — Vice President Hubert H. Humphrey arrived in Saigon today to spur the South Vietnamese to get on with a social and economic revolution which he said would provide a "dynamic and lasting answer to the false promise of communism."

"I have come to see some of the projects being undertaken and to report back to the President and the American people on the work you are doing and on the part we can play in support of your great undertaking," Humphrey said in a statement at Saigon's heavily guarded Tan Son Nhut Airport.

Premier Nguyen Cao Ky and chief of state Nguyen Van Thieu flew with Humphrey from Honolulu after meeting there with President Johnson. Humphrey did not attend the Honolulu conference, but came here on the President's request to advance the nonmilitary programs outlined there.

Humphrey told newsmen aboard his plane that the military situation in South Viet Nam had improved to a point "that rural construction, economic and social programs can take place."

"We know that victories on the battlefield are not enough," he said. "We want to consolidate those victories" with economic and social progress.

Humphrey plans to leave Sunday after what he called "nearly three days of varying intens-

sive visitations, conferences and on the spot, in the field observations."

Nursing School Graduates 24 In First Class

Twenty-four persons including three men, the first graduating class of Bay de Noc Community College School of Practical Nursing, received certificates and pins in ceremonies Tuesday afternoon.

Most of the members of the first group of graduate practical nurses are married and there is one married couple in the class. The graduates are:

Miss Pamela L. Artley, Mrs. Eileen M. Blake, Mrs. Laurel A. Chartrand, Mrs. Marianne E. Demerise, Mrs. Louise A. Peak, Mrs. Tyne M. Kivela, Miss Francis J. Kobasic and Mrs. Carol I. Limpert, all of Escanaba.

Mrs. Karin M. Flannery, Mrs. Ellie A. Lang, Mrs. Paula I. Richards and Mrs. Barbara G. Ruthsatz, all of Gladstone.

Certificates, Pins

Miss Louise Hall, Daggett; Byron M. Holmes, Kingsford; Wendy B. Holmes, Marinette; Mrs. Margaret E. McNeely, Powers; Mrs. Elizabeth C. Nor-koli, Rock; Mrs. Patricia A. Olson and Mrs. Ruby A. Palka, both of Bark River; Miss Mary L. Peters, Iron Mountain; Mrs. Margaret Sargent, Ensign; Miss Bonnie Lou Saylor, Iron River; Darryl H. Schindler, Alpha; and Carl White, Stambaugh.

The graduation program was held in the auditorium of the Escanaba Area Public Schools, with the Rev. Fr. Lawrence

Gauthier giving the invocation and benediction.

St. Francis Hospital is the affiliating hospital in the training of the practical nurses, and Mrs. Elizabeth M. Goulais is the School of Practical Nursing director. Miss Camille Rabito is the clinical instructor.

Joseph L. Heirman, chairman of the Bay de Noc Community College Board of Trustees, greeted the class and the commencement was given by Dr. George Maniaci, Gladstone. Miss Rabito presented the class, certificates were presented by Richard Rinehart, Bay College president; and Mrs. Goulais presented pins.

Dr. Maniaci Speaks

Selections were played by the Escanaba String Ensemble a reception in the College Lounge followed the graduation. Serving as ushers were Judy Campbell, Gary Clochett, Nelson Deloria, Barbara Butsic, Marsha Jo Bray, Eli Stoltzfus, Emmy Lou Mattson and Rudolph Sydmark.

Dr. Maniaci in his address to the graduates stressed their role of responsibility. Patient care is the No. 1 goal of a medical hospital and in this goal all of the hospital's employees share, he said.

Nurses are being removed farther and farther from the patient as demands upon them increase and the practical nurse is now doing patient care and has the longest contact with the patient, he noted.

The practical nurse has the responsibility of using his training to the fullest in meeting the needs of the patient, he continued. This consideration must extend treatment equally to all people—old or young, handsome or plain, poor and rich, the pleasant as well as the unpleasant, he said.

The practical nurse has the responsibility to acquire more knowledge—a responsibility of a continuing education; for the graduate today who fails to learn more tomorrow is uneducated the day after, Dr. Maniaci pointed out.

Heirman in greeting the candidates for graduation urged "development of your God-given talents to the highest degree. Do not say the average is good enough. Believe in God, in your country and in yourself and in that order. Also repeat constantly to yourself 'It all depends on me.'"

BUSILY AT WORK during their recent open house, Junior Achievers were observed by parents and business and professional people of the community. Among the visitors were (from left) Dean Abbott of the Fair Store, Walter Lewke, Chamber of Commerce secretary-manager, and Thomas Straebel of Michigan Bell Telephone Co. (Daily Press Photo)

Pick Officers:

Jr. Achievers In Second Half

Escanaba Junior Achievement is starting the second half of its year of working and learning in a program dedicated to experience in the free enterprise system.

Dwayne Burak, JA program manager, said that each of the three Junior Achievement companies have chosen officers for the second half of the year. There are some changes, but in several offices the incumbents were retained.

"The products the companies are manufacturing are unchanged, probably indicating that the members are satisfied with their experience with that product," he said. "It is not unusual, however, to try something else at mid-year."

There are 150 young men and young women enrolled in the Junior Achievement program in Escanaba. They are students of Escanaba High School and Holy Name High School, but they participate in JA only in non-school hours.

The three companies, their officers for the second half of the year, and their product:

EJA—William Mineau, president; Kathy Engman, treasurer; Barbara Larson, secretary; Judy Pendergraft, vice president sales; Mike O'Leary, vice president production. The firm manufactures and sells an auto trouble light.

Profco—Christine Erickson, president; June Rinehart, treasurer; Cheryl Ostlund, secretary; Dennis LaMarche, vice president sales; Mike Meier, vice president production. Lint removers, a popular item is the firm's product.

Jaycees Plan Queen Pageant Party Feb. 17

The Escanaba Jaycees, meeting Wednesday evening at the Delta Supper Club with President Joe Heller presiding, set next Tuesday, Feb. 17, for the first coke party in preparation for the Delta County Queen Pageant. The party will be at 7:30 p. m. at Bay De Noc Community College.

Applicants desiring information about the queen pageant may attend. Applicants must be 18 to 28 years of age, single and never been married.

Other persons to contact for information concerning the pageant are Sam Lind at Bay De Noc Community College, Bill Puckelwartz of the Escanaba Area High School, Mrs. Anderson of Holy Name High School, Don Pfothauer at Gladstone High School, Mel Taylor of the Bark River-Har-ris Area, or Don Moreau, 786-6286.

At the party Thursday evening past winners of the queen pageant will be present along with Mrs. John Greis, the official chaperone this year. The Delta County Queen Pageant is the official preliminary to the Miss Michigan and Miss America Pageants.

The local pageant will be held April 16, a month early this year, at the Escanaba Area High School Auditorium. Congressman Raymond Clevenger, Dr. Edgar Harden, president of Northern Michigan University, and Fran Broutelle, Dickinson County prosecutor are the judges.

Klondike Derby Saturday During Boy Scout Week

The annual Red Buck District Boy Scout Klondike derby will be held beginning at 9:30 a. m. Saturday at the Gladstone Golf Club.

The derby is the last of a busy round of activities for area Boy Scouts observing National Boy Scout Week.

Warren Danzer, Red Buck scout executive, said that many units have put scout displays in windows of local stores and some have put on live demonstrations. Uniform Day was observed Tuesday and many scouts wore uniforms to school.

Danzer said that Cub Packs are observing the 56th scout anniversary with Blue and Gold banquets and many Boy Scout troops have planned Court of Honors.

In the Klondike derby, scout in patrols of five to eight boys will pull a Klondike-type sled through a series of exercises designed to test ability in fire building, compass and map reading, trail signs, hand signals, first aid, tent pitching and knot tying. Explorer Scouts from Post 444 of Escanaba and Post 466 of Gladstone will serve as judges.

Jack VanBroeklin, camping and activities chairman for the district, is in charge of the event, which is open to the public.

Chet Isaacson Dies, Victim Of Car Crash

Chester Stanley Isaacson of Escanaba, critically injured in a traffic accident here on Feb. 1, died in Veterans Hospital, Iron Mountain, at noon Wednesday.

He was 62 years old and prior to his removal to the hospital at Iron Mountain was in St. Francis Hospital at Escanaba for seven days.

The accident in which he was fatally injured and his sister, Mrs. W. J. (Gladys) Schmit, 78, of 808 S. 10th St., was seriously hurt occurred at 7th Ave. S. and 14th St. Tuesday evening, Feb. 1.

Mrs. Schmit is listed as still in only "fair" condition at St. Francis Hospital today.

Escanaba police said that Isaacson was driver of the car and that his sister was a passenger in the auto when it was involved in a collision with an auto driven by Timothy J. O'Brien, 17, of 1515 17th Ave. S. Officers said the Isaacson car went through a stop sign and into the intersection.

Born in Escanaba on July 7, 1903, Mr. Isaacson had lived here throughout his lifetime except for the World War II period when he served with the U.S. Navy. He attended Escanaba High School.

He was a lifetime member of the American Federation of Musicians 663, was a member of the Delta Lodge 195 F.&A.M. and was a member of the Shrine Band in Marquette. He was for several years after World War II associated in banking.

Surviving are three sisters, Mrs. Ellen Schils and Mrs. Schmit of Escanaba, and Mrs. J. C. McCrea of Clinton, Iowa.

Friends may call at the Degnan-Crawford Funeral Home from 11 a. m. to the funeral hour at 3 p. m. Saturday.

The funeral services will be in the funeral home chapel with Dr. Walter Nelson of Bethany Lutheran Church officiating. Burial will be in Lakeview Cemetery.

Military rites will be conducted by the Cloverland Post No. 82 of the American Legion.

Funeral Services For John Burke Set For Saturday

John T. Burke, 86, of Escanaba, who had been a patient at Pinecrest Medicare Facility for the past three years, died there on Wednesday.

Born in Chicago on Dec. 18, 1879, he came to Escanaba and had spent his lifetime here. He had attended St. Joseph's School and was employed as a commercial fisherman in association with his father.

Surviving are one son, John of Kalamazoo; one daughter, Mrs. Gene (Celia) Wuensch of Milwaukee; one step-daughter, Mrs. Frank Peplinski of Denver, Colo.; and five grandchildren.

Friends may call at the Degnan-Crawford Funeral Home from 3 to 9:30 p. m. Friday and parish prayers are scheduled for 8 p. m. Friday.

Funeral services will be at 9 a. m. Saturday in St. Patrick's Church with the Msgr. Martin B. Melican officiating. Burial will be in Holy Cross Cemetery.

Three Eagle Awards Set For Troop 414

Boy Scout Troop 414 will observe Scout Sunday by holding a Court of Honor at 7:30 p. m. in the basement of St. Patrick's Church.

The highlight of the evening will be the presentation of the rank of Eagle, Scoutings' highest award, to three members of the troop. These will be the first Eagle awards presented by Troop 414 since its formation in 1961.

Msgr. M. B. Melican will make the presentation to Dennis Aillingham, Timothy Durkin and Joseph Lasnoski. Redback District Scout Executive Warren Danzer will deliver the Eagle charge.

A number of other Scouts of Troop 414 will receive advancement, merit badges and special awards at the Court of Honor.

Parents of Scouts of Troop 414 and all interested persons are invited to attend. A lunch and social hour will follow.

Office \$5 Bill Makes U.S. Perk

By HAL BOYLE
NEW YORK (AP) — Americans earn hundreds of billions of dollars a year.

We loose on an awed world a tidal flood of products. We waste or discard enough to keep another population our size in comfort.

But what keeps our gigantic system economy? What fuels our whole economy? What really primes the pump?

It isn't the Federal Reserve System. It isn't all the gold in Ft. Knox. It isn't even the installment plan.

It is the office \$5 bill, the white collar class cushion of safety.

It is a wonder that the big-brained economists haven't yet discovered the importance of the office \$5 bill to the U.S. business structure. It plays the same role that cigarettes did in parts of ravaged Europe after World War II.

Business Paralysis?

Commerce was at a standstill in one German village because no kind of money was trusted. Then an American passing through town gave a cigarette to a German.

A cigarette! Here was something of known value and real scarcity. The man took it to his

butcher and traded it for a pound of meat.

The butcher took the cigarette to a cobbler and had his shoes repaired. The cobbler took it to a glazier who fixed his bombed-out window. The glazier traded it to a storekeeper for a pair of heavy gloves. The storekeeper paid it to his helper for a week's work. The helper gave it to a farmer for a basket of turnips. The farmer gave it to the butcher for a pound of meat, and he—

Well, the town was rapidly getting back on its feet. And then some darned fool smoked the cigarette! Business was immediately paralyzed again.

The U.S. office \$5 bill today is just like that cigarette in late 1945 in Germany.

Pay Off Debt.
On Monday some plush fellow with an extra \$5 bill uses it to pay off a debt to the straw boss. The straw boss lends it to one of the salesmen. A secretary borrows it from the salesman. The junior executive borrows it from the secretary.

The \$5 bill circulates through the office, building morale and inspiring confidence in the American way.

Then, late Wednesday afternoon, someone routinely trying to borrow the office \$5 bill makes a surprising discovery. Some darn fool has spent it!

Who? The culprit quickly is discovered and surrounded by a surly mob of fellow employees. Until they can cash their checks on payday the staff is gripped by financial doldrums. Nobody in the place lends, barrows or buys.

Things stay that way until Monday, when another temporarily flush fellow puts a new \$5 bill in circulation, and the white collar peons regain their faith in a viable economy.

Ore Shipment Rates Hiked

CLEVELAND, Ohio (AP) — One fleet has announced that it will raise rates for carrying iron ore on the Great Lakes in the spring, and other ore carriers are expected to do the same.

The Wilson Marine Transit Co., said today that the new rate on ore carrying from the head of the lakes to Lake Erie ports will be \$1.95 a gross ton, compared to the \$1.90 rate in effect since 1963.

Wilson said the rate boost was necessary to offset anticipated increases in labor and maintenance costs.

Unemployment At 9 Year Low

WASHINGTON (AP) — The nation's unemployment rate dropped to a nine-year low of 4 per cent in January and Secretary of Labor W. Willard Wirtz predicted today it would drop to 3.5 per cent or lower this year.

The Labor Department reported the 4 per cent jobless figure — the longest-term interim goal set by White House economic advisers four years ago — while Wirtz made his prediction in testimony before the Joint Economic Committee of Congress.

Eaton Brings Hope

Nothing that has happened in Gladstone in a long time has created more cheer than the announcement by Eaton, Yale & Towne Inc., that they would enlarge their plant there to provide employment of 300.

The announcement came as Eaton completed a large expansion of the former Marble Electric plant, which it bought last year from Bell & Gossett Division of International Telephone and Telegraph Co. The new Eaton growth in Gladstone will spread across Superior Ave. and across the site of the present Marble Arms plant, which will be razed to make its location available for the new factory.

Marble Arms, in a growth and improvement program of its own is moving to its new plant, now being erected in Gladstone's Industrial Park.

The Upper Peninsula's communities need the kind of industrial growth that Eaton is bringing to Gladstone. How did it come about? Because of many things. First off, because Webster Marble and his associates created a famed sporting goods manufacture and then "diversified"—the term wasn't used then—by entry into electric motor manufacture with leadership supplied by John F. Card. After the original owners sold the arms and electric plants they went through two ownerships before coming to their present status. A group of Gladstone men bought Marble Arms. Eaton bought B&G's Gladstone Division electric plant.

There'll be so little of the original Marble Electric left when Eaton gets through with its preparations for its new products lines and other manufacture that it will be like an appendix, vestigial. But it was all-important in attracting the new ownership and expansion. It had created an industrial work force and management and a tradition of manufacture which are valuable and upon which Eaton will build. Had there been no Marble Electric there would be no Eaton operation there today.

This has been a pattern of industrial succession and development across the Upper Peninsula. Home grown enterprises have attracted outside ownership. Our paper mills were individual units originally and have become parts of larger complexes. Because Upper Peninsula industry had so little tradition of metal working the departure of the big sawmills was an economic disaster. There was no easy transition from wood working to metal working. There had to be a beginning in metal fabricating industries and some communities haven't managed it yet. Gladstone was more fortunate.

The situation points to the desirability of vocational education in the Upper Peninsula to help break the job barrier that our lack of industrial skills has created for many industries in our U.P. labor market.

Under study and development today in the Upper Peninsula is a program of vocational-technical education in multi-county occupational school districts. The colleges and universities would cooperate with the local school districts in the organization of such districts and they would pool resources and establish centers for specific kinds of vocational training.

The Upper Peninsula need for some such kind of program has been evident for years. The need becomes accentuated as the area tries to enlarge its industrial base. We have a situation similar to that in the 5-county Grand Traverse region downstate, and even more needful in some respects.

There a Michigan State University study of vocational training needs found that the area had slow economic and population growth (actually a population decline in most areas), that its high schools, except one, were small, and that there was little or no vocational education in the high schools. Agricultural production has declined markedly. Manufacturing is concentrated in a few medium-sized firms whose production methods employ large numbers of semi-skilled workers.

Small wonder that too few get education beyond high school and that per family income is "very low", with four of the counties having over 30 per cent of their families with annual incomes of less than \$3,000. That's the description of "poverty" in Washington these days.

Cleanup Campaign

For some perverse reason, it's always a source of satisfaction to learn that the same problems that are delaying the coming of the Great Society here are causing trouble in Soviet Utopia.

Take water pollution. It seems that last year thousands of Volga River sturgeon, which produce the world's most valuable supply of caviar, were killed by factory wastes.

No dillydallying about the matter, however. No "viewing with alarm," no shifting of responsibility back and forth between local and national officials, no impassioned but ineffectual speeches on the floor of the Supreme Soviet.

Instead, action: Six engineers and technicians in charge of the Kirov chemical plant in Volgograd have been brought to trial on charges of criminal negligence in the death of the fish.

That's the way to handle it. The only trouble is that in this country nearly the whole population would have to be indicted, so universal is the negligence concerning the pollution problem.

Questions And Answers

Q—What lichen may have been the manna mentioned in the Bible?

A—Cup moss, which is eaten by natives of middle Asia.

Q—Where was the Battle of Lulus Springs fought?

A—At Berkeley County, S. C. It was the last battle of the last Southern campaign of the Revolutionary War.

Q—How fast does maple sap drip?

A—If the day is cold and overcast, very slowly, if at all; if a warming sun appears after a cold night, it flows faster. But it always drips, never runs. The drops may come in rapid succession, as many as 100 per minute.

Q—Progressive changes carry peat through the successive stages of true coal—lignite, bituminous, anthracite—and on until the mineral graphite is produced.

A—Undoubtedly the carp; the Chinese have raised them in ponds for at least 2,500 years.

Q—What further changes occur in peat before becoming coal?

A—Progressive changes carry peat through the successive stages of true coal—lignite, bituminous, anthracite—and on until the mineral graphite is produced.

Plan Dorms

BIG RAPIDS (AP) — Ferris State College plans to apply soon for \$2.1 million in federal funds to construct two dormitories, each housing 280 male students. College officials said the Community Facilities Administration has given tentative approval.

Q—In what respect are the Greek and Jewish calendars alike?

A—The Grecian Era and the Jewish Era both begin with a traditional date for the Creation. The Grecian Era dates from 505 B. C.; the Jewish Era from 3761 B. C.

Which Makes It a Little Hard to See the Light

LBJ Charts Rights Talk State Libraries

By BRUCE BLOSSAT
WASHINGTON — (NEA) — President Johnson is getting very close to decisions affecting a springtime White House conference on civil rights which he hopes will avert the pitfalls that last November's planning session suffered.

That earlier meeting actually produced some very useful ideas. But it is agreed these were largely buried amid a good deal of stale argument and much dicker between militant and conservative civil rights leaders as to the course their movement should take.

Acutely aware of this situation, the White House is said by outside sources to be prepared to spend up to \$350,000 or more to mount a larger party this spring—perhaps in the last week of May.

Staff discussions in the White House have been frequent, indicating the high degree of the President's own interest in the subject.

Nevertheless, there are still sufficient rumblings from civil rights leaders and others to suggest that the President will be hard-pressed to bring off a full-blown conference satisfactory to all.

One civil rights source in New York reports that some leaders there were so disenchanted with the November meeting that they would like to see an entirely new conference staff created to manage the spring affair.

That staff is now down to a waning skeleton and is operating in tightly condensed Washington office space. This fact has further irritated some in the civil rights movement, who read the frail interim staff as a sign of intermittent White House interest.

Not all the rumblings come from Negro leaders unhappy with the November business. One high-placed white participant in that conference has told Washington sources he is greatly disturbed and even "frightened" at what he considers the badly fragmented

BARBS

By WALTER C. PARKES
A social menace is the guy who takes you seriously when you ask "How are you?"—and tells you.

One thing dad likes about bad winter weather is that it's too cold to do that back-yard chore it was too hot to do last summer.

There seems to be no limit to the stupidity of people who drive over the speed limit.

Ever notice how many critics of teen-agers are middle-agers who wish they were teen-agers?

Q—My doctor says I have an allergy to some kind of food or something I come in contact with. How can I find out the exact cause? Can a person be allergic to other people?

A—Tracking down the cause of an allergy is often a tedious process and is best accomplished by a doctor with special training in this field. Food allergies are identified by systematic elimination of various common foods from your diet for four or five days. Contact allergies

are discovered by making patch tests in which a small amount of the suspected offender is applied to the skin and covered by a patch. The reaction, if any, is compared with a plain (control) patch.

The phrase, "I am allergic to Harry," is common—true allergy to another person is not.

Q—My son, 15, is allergic to several kinds of food. I was hoping he would outgrow it. Would shots help him?

A—It is unlikely that your son will outgrow his allergies completely. Some persons, after avoiding the offending food for several years, can tolerate small amounts of it from time to time when they are feeling in the pink. Colds and other infections are likely to intensify existing allergies.

Injectons of extracts of pollen have been used to desensitize persons with hay fever but injections of food extracts have not been widely used. Some allergists instead advocate a process of desensitization by eating a minute amount of the offending food daily and very gradually increasing the amount as tolerance develops but this will not work with all victims.

Car Safety

Items Added

DETROIT (AP) — Under mounting pressure from Congress and elsewhere, General Motors Corp. and American Motors Corp., Wednesday announced collapsible steering columns will be standard safety in all their 1967 cars.

General Motors also said it was making dual brake systems that are standard in all American Motors' cars since 1962, but only Cadillacs and Corvettes have them in the GM line.

Ford Too

Both features are among those the federal government has served notice it will require in all 1967 models it buys. This amounts to some 60,000 a year at a cost of \$90 million to \$100 million.

For 1968 the General Service Administration, the government's buying agency, has told the automakers to expect to have to provide redesigned seats to prevent whiplash injuries, antiskid devices, and a change in gasoline tank locations, among other things.

The Ford Motor Co. comment on the GM and AMC announcements was: "We will not let anyone get ahead of us in the field of auto safety."

Cost Uncertain

Chrysler Corp. pointed out that last September it announced it was giving consideration to collapsible steering columns on its 1967 cars.

GM and AMC gave no indication whether the entire cost of the new steering post and brake systems would be passed along to car buyers.

In the 1966 model run, six safety items were made standard equipment and customers paid the entire tab for them. These included rear seat belts, padded instrument panel, back-up lights, outside left rear-view mirror, dual speed windshield wipers and washer and padded sun visors. Improved wind shield glass also was added.

Ann Landers

Guests On Spot For Piggy-Bank

Dear Ann Landers: A couple we know has a three-year-old child. They keep the child's piggy bank in the living room on the coffee table. Whenever they entertain the conversation somehow gets turned to the piggy bank.

The parents tell how much was in the bank when they last opened it and who gave what. They save for different "projects" and open the bank when it gets so full they can't put any more money in.

Right now they are saving for a dance costume. We got all the details last night. My husband put in 50c "to help the cause." I don't care about the 50c but I think it's poor taste to put guests on the spot. My husband says I'm small-minded. Am I? — MODERN MATH

Dear Modern: You can call it a piggy bank if you want to. I call it a collection box—and the living room is no place for it. I'm with you.

Dear Ann Landers: Yesterday I received an anonymous message in the mail. It read: "Dear Friend: I ran across this bright saying and thought of your husband: 'If at first you DO succeed, chances are good that it's your father's business.'"

My husband happens to be in his father's business. It is a large company and a successful one. My husband started at the bottom and has earned the position he now holds. Under his leadership the business has expanded and flourished.

What outsiders don't know about the problems of a family business could fill a library. The pressures are terrific. My husband works harder than anyone I know. It burns me up when people intimate that he was born successful and sits back and rakes in the money.

Thanks for letting me get this off my chest. ANN, I feel better already. —ALAN ANONYMOUS

Dear Also: It is unfair to assume that every man who is in a family business has had success dropped in his lap. Many bright, hard-working men in family businesses could have made it big somewhere else—and some of them wish they had. The emotional problems which result from relatives being in business together can be devastating.

Anonymous messages are the handywork of cowardly malcontents. Forget it.

Dear Ann Landers: My husband was never one for hobbies until six months ago. At the age of 55 he suddenly decided to take up the cello.

I don't even care for good cello music so you can imagine what I endure when he is screeching away two or three hours a day. Alex is teaching himself with the help of some books. He didn't even know he was supposed to put resin on the bow until I told him.

Our children all studied music when they were young and their practicing never bothered me the way this does. Please tell me what to do. I'm getting nervous.—L. C.

Dear L. C.: Don't complain because your 55-year-old husband is fiddling around. At least Alex has a cello.

Fix up a practice nook for him in the attic, the basement or even the garage. And buy a transistor radio to carry with you as you do your housework. It will help drown out the racket—I mean music.

What is French kissing? Is it wrong? Who should set the necking limits—the boy or the girl? Can a shotgun wedding succeed? Read Ann Landers' booklet, "Teen-Age Sex—Ten Ways To Cool It." Send 50c in coin and a long, self-addressed, stamped envelope.

—least —T/T Tlyso-ldyo

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped and self-addressed envelope.

Hatlo's They'll Do It Every Time

Cowles Spanks Dull Papers

LAWRENCE, Kan. (AP) — A leading publisher, describing journalism as a frustrating, intoxicating mistress, lamented today that "too many issues of too many newspapers are just plain dull, dull, dull."

Gardner Cowles, editor-in-chief of Cowles Publications, received the ninth William Allen White Foundation National Citation for Journalism Merit. The award is in honor of White, editor of the Emporia (Kan.) Gazette, who died in 1944.

In a speech prepared for delivery later at the annual White Memorial Lecture, Cowles said:

"Too many newspaper editors today are too careful, too cautious, too fearful of being controversial, too worried about ruffling the hair of some readers."

"I don't think any man can become a great editor unless he is willing to become meaningfully involved in the important issues of his community, his state, the nation and the world," Cowles said. "And he needs to care passionately."

Cowles is president of the Des Moines Register and Tribune, and after 40 years of journalism, which includes establishment of Look and Family Circle magazines and San Juan (Puerto Rico) Star, and purchase of newspapers in Florida, said he has reached these conclusions:

"The tremendous asset of daily newspapers over all forms of communication is their role of public responsibility."

"Radio and television inform within a dramatic, popular and limited scope, but their primary motivation is entertainment."

"Magazines inform, stimulate thought and entertain, again within the scope of their facilities and the intervals at which they are published."

"Daily newspapers not only inform and entertain, they are invested with responsibility for truth, fairness, balance, completeness and newness, coupled with their responsibility as the monitor and conscience of their communities and the nation."

Three Children Die In Blaze

LANSING (AP)—A house fire, apparently caused by a faulty oil-fueled space heater, killed three of John MacDougall's six children late Wednesday at the Clinton County community of Wacousta, seven miles northwest of Lansing.

The victims were Elizabeth MacDougall, 10, and her brothers, David, 8, and Paul, 6. Two other children, Catherine, 11, and John, 13, were led to safety by John's twin, Janet.

Ralph Tillitson, assistant Grand Rapids fire chief, said Janet smelled smoke and awakened her brothers and sisters. But after leading John and Catherine to safety, she was unable to re-enter the flaming, one-story frame home. Tillitson said.

Gladstone News

Briefly Told

State Police issued traffic tickets Tuesday to Jerry J. Artley, Rte. 1, Cornell, defective brakes; Daniel F. Samson, Rte. 1, Gladstone, improper right turn; Ronald L. Ritchie, Munising, disregarding traffic signal; Leonard J. Bero, 423 S. 19th St., expired operator's license.

An assortment of fishing tackle and an ice auger was reported missing from a fish shack on Little Bay de Noc owned by Otto Reinholdson, Rte. 2, Rapid River. State Police said the shack was entered sometime between last Saturday and Tuesday.

Gary Barton, Rte. 1, Gladstone, struck a deer with his car on Co. Rd. 569 two miles north of Foster City, State Police reported.

The Royal Neighbors will meet Friday at 2 p. m. at the home of Mrs. Ted Minor, 1415 Minnesota Ave.

Baraga Contest Winners Named

BARK RIVER—Winners in the Bishop Baraga Poster and Essay Contest were announced by the committee chairman, Mrs. James Anderson, at the meeting of St. George Rosary Society held Monday evening in the parish hall.

Sixty-eight boys and girls of St. George Catechetical classes participated and exceptional talent and originality was shown. Judging according to grades was done by the Sisters of St. Thomas the Apostle school in Escanaba. Winning essays were read by the authors and 19 awards were presented to all winners in each category by Mrs. Anderson.

In the senior division of the essay contest Jacqueline Dittich of Hyde won first with her essay in verse. Tom Bryak, also of Hyde, was second, Shanon Bittner, Hyde, placed third and Raymond and Kenneth Motto of Bark River were in fourth place.

Del Quist and Stephen LeBeau, Bark River, were winners in the sixth grade division of the essay contest and Christine Nault, Bark River, eighth grade, won with a poem about Bishop Baraga.

In the senior division of the poster contest, William Fodor Jr., Bark River, placed first; Norman Dittich, Hyde, second; Theresa Harris, Wilson, third; and Susan Strahl, Wilson, fourth. Russell Kwarciany, Bark River, eighth grade, was first in the Junior High division.

For coloring posters in the first, second and fourth grades in that order were Theresa Veerer, Harris; Susan Perron and Donna Grzyb, Bark River; Lynn Anderson, first grade, Bark River, for an original colored poster.

AMONG WINNERS in the Bishop Baraga poster and essay contest is a three dimensional creation by (from left) Del Quist and his brother, Roger Quist Jr., Del, sixth grade, and Roger, seventh grade, made the pictures with bark, moss and other natural materials. (Mrs. I. R. Nelson Photo)

\$2.8 Million In Aid To District

A year-end review of Office of Economic Opportunity activities reveals nearly \$2,800,000 spent on this phase of the War on Poverty in Upper Michigan, Congressman Raymond F. Clevenger (D-Sault Ste. Marie) reports.

At least \$240,655 has gone for projects in Delta County. Clevenger said the figures are based on summary of War on Poverty activities recently released by the Office of Economic Opportunity.

The summary lists: Six U. P. Community Action Agency program development grants, \$172,650; six Community Action Agency conduct and administration grants, \$146,796; three training grants, \$211,687; 20 Head Start grants, \$204,417; one technical assistance grant, \$40,953; six work study programs, \$244,782.

Adult basic education grants for 655 participants, \$56,547; 47 individual rural loans, \$85,410; one cooperative rural loan, \$17,000; 40 small business loans, \$712,700; development and operation of the Ojibway Job Corps Center at Marquette, Goebie County, \$906,311.

Estimated cost of OEO projects in the remaining 18 counties of the 11th Congressional District are: Alger, \$100,385; Alpena, \$64,843; Baraga, \$72,400; Charlevoix, \$2,500; Cheboygan, \$19,005; Chippewa, \$150,956; Delta, \$240,655; Dickinson, \$1,323; Emmet, \$12,791; Goebie, \$1,059,772 (including the Job Corps Center); Iron, \$219,596; Luce, \$77,900; Mackinac, \$90,800; Marquette, \$198,800; Menominee, \$169,343; Montmorency, \$4,400; Ontonagon, \$26,920; and Schoolcraft, \$92,529.

Batman Bested

HOLLYWOOD (AP)—The tiny flu bug has done what all the big bad guys have been unable to do to actor Adam West, the Batman who quickly disposes of all evildoers in a new television series.

West, 32, was hospitalized with the flu Wednesday, but a spokesman at 20th Century-Fox studios said he was expected to return to the Batman series set Friday.

Vandalism

PELLSTON (AP)—Fire, believed set by vandals, damaged a Mennonite church today in the Emmet County community of Brutus some four miles south of Pellston. No one was reported injured.

Area High School Schedules Merit Scholarship Test

The National Merit Scholarship Qualifying Test, first step in the 12th annual competition for four-year Merit Scholarships, will be administered to 65 students at Escanaba Area High School at 9 a.m. Tuesday, March 1. Fritz Cerasoli, director of guidance, announced today.

Students who wish to be considered for Merit Scholarships to be awarded in 1967 must take the test.

All scores will be reported to the high school by May 15. About 14,000 semifinalists, highest scorers in each state, will be announced Sept. 22.

Semifinalists will take a second examination and be required to submit biographical information to qualify for finalist standing. Only finalists are eligible for consideration for Merit Scholarships financed by NMSC and sponsors.

The awards range from \$100 to \$1,500, according to student need. About three quarters of 2,004 scholarships awarded in 1965 were sponsored by corporations, foundations, colleges, associations, unions, trusts or individuals.

Hospital

Mrs. Vendia McNellis is recuperating at her home, 305 N. 18th St., after surgery at St. Francis Hospital.

Utility Plans \$4 Million In U.P. Gas Lines

DETROIT (AP)—Michigan Consolidated Gas Co. announced today it will invest approximately \$4.4 million in expanding and modernizing its natural gas system during 1966.

Ralph T. McElvenny, president, said the utility will extend gas service to 20 communities in both the Upper and Lower peninsulas and will add nearly 29,000 heating customers to its lines.

He said the investment will bring Michigan Consolidated's 10 year investment to \$334 million.

In the Upper Peninsula, the utility said it will extend its present system from the Escanaba area to Treenay and Munising and neighboring communities of Wetmore, Christmas, Au Train and Chatham. A branch line will supply gas in central Marquette County to Little Lake, New Swanzy, Gwinn, Austin, Princeton and K.I. Sawyer Air Force Base.

The utility said it will invest \$17,681,000 in the Detroit area, including the construction of 85 miles of new mains and the addition of 11,900 heating customers.

Michigan Consolidated said it expects to add 4,000 new heating customers in the Upper Peninsula with the construction of \$4,040,000 in new facilities. Nearly \$3 million was expected to go for facilities to supply Munising and other new areas, with the balance to be spent in the Escanaba, Iron Mountain, Iron River and Sault Ste. Marie areas.

The firm said its northern district will invest \$4.8 million and construct 228 miles of new mains.

Curtis

John Ward of Ortonville visited at the home of Mr. and Mrs. Robert Metcalf, John Metcalf returned to Lower Michigan with him.

Mrs. Mary Quick and Mrs. Jennie Crawn motored to Newberry, Wednesday and visited with Mrs. Irene Rader who is a patient at Tahquamenon General Hospital, with Charles Cornell and Oral Randal, who are also patients and Mrs. Crawn's great aunt, Mrs. Rose Kalenbach at Newberry.

Ruling Upsets Texas Voting

AUSTIN, Tex. (AP)—The 1966 election outlook in Texas has been thrown into a state of confusion by a federal court's ruling that the state's poll tax was unconstitutional.

Surprised Texas officials pondered their next move today in the wake of the 45-page opinion handed down Wednesday by the three-judge federal court.

Atty. Gen. Waggoner Carr and Gov. John Connally, declined comment until they had studied the opinion and consulted with each other.

The state has 14 days to ask the 5th U. S. Circuit Court of Appeals or the U. S. Supreme Court to stay the order.

Unless the order is stayed, Connally may have to call a special legislative session to enact a voter registration system.

ACTOR ADAM WEST, left, knocked around Hollywood for years without starting success in the movies, but when he became TV's Batman, right, it was jackpot! Glee! Batman is a square's square and dedicated foe of wrongdoers. (AP Wirephoto)

Batman's Hep, Show Is Square

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP) — Man riding a tiger: Adam West. He's Batman. Holy residuals! You know what that means: He's going to be rich. He may also be branded for life with a bat emblem on his chest. Is he worried? Not our hero. "I was worried at first," admitted television's foe of wrongdoers. "I was afraid that my own identity might be submerged in the trappings of a freak in tights. But then I realized I should be able to make the craze work to my advantage."

Parents Of Nine Killed In Crash Near Kalamazoo

KALAMAZOO (AP) — A Bloomingdale couple and one of their nine children were killed Wednesday night in a head-on auto collision that put a tragic end to a family shopping trip. Killed were Everett H. Harris, 36; his wife, Mary, 35; and their 13-year-old son, Michael. Sheriff's deputies said the Harrises were returning home after a night of shopping at Kalamazoo when the accident occurred on M 43 about seven miles west of here. Their car collided with another auto that was attempting to pass, deputies said. Seriously injured were the Harrises' neighbor, Mrs. Ruby Austin, 35, and her daughter, Lida, 13.

Edison Birthday

LANSING (AP) — Thomas Edison's birthday Friday will be celebrated as Science Youth Day under terms of a proclamation issued Wednesday by Gov. George Romney.

ized I should be able to make the craze work to my advantage."

"Before, I was limited to playing leads in low-budget movies. The series has given me the exposure — God knows — so that perhaps I would now be considered for important pictures, which is what I'm after. "Unless the thinking of the major producers has become senile, they can perceive that I'm not Batman."

Indeed he is not. Batman is the square's square: Adam West is hip. Batman lives in a manor that looks left over from a George Arliss movie: Adam West has a pad at Malibu Beach. Batman spends most of his time in the company of his ward Robin. When not working, Adam West is often accompanied by a local chick.

You see, there is a difference. West terms himself "an overnight smash after 12 years." He started as a television announcer in Sacramento after leaving Stanford University, has been a writer, milkman, cowboy and actor. His most notable achievement heretofore was playing a secondary banana to Robert Taylor in "The Detectives" series.

Following breakup of his marriage — he has two young children — he went to Italy in an attempt to break out of the B-picture rut. He was making progress as an American actor abroad when Batman signaled his return.

Wave Research

ANN ARBOR (AP) — A \$49,100 National Science Foundation grant was received by the University of Michigan for a two-year study of wave forces on submerged structures in the school's department of hydraulic engineering.

Notice To Escanaba Taxpayers

February 15, 1966 is the last day for paying your 1965 County and School taxes without the 4% penalty.

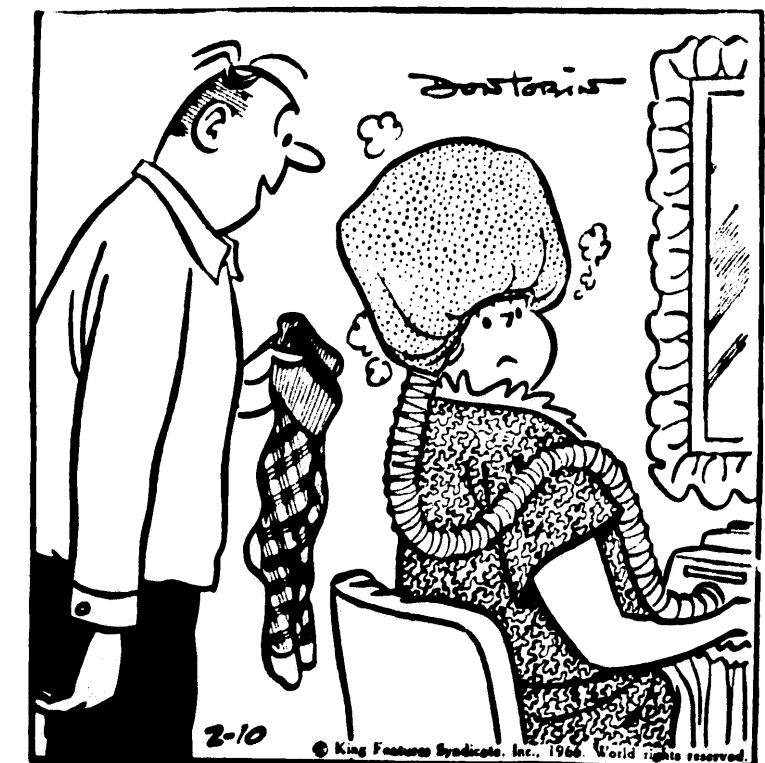

Dog Licenses for 1966 are now available at the City Hall. Proof of inoculation against rabies since July 1, 1965 must be presented to obtain a dog license. Cost of license for male dogs \$1.00, for spayed dogs \$1.00, and \$2.00 for female dogs.

After March 1, licenses must be procured at the County Treasurer's office at double the cost.

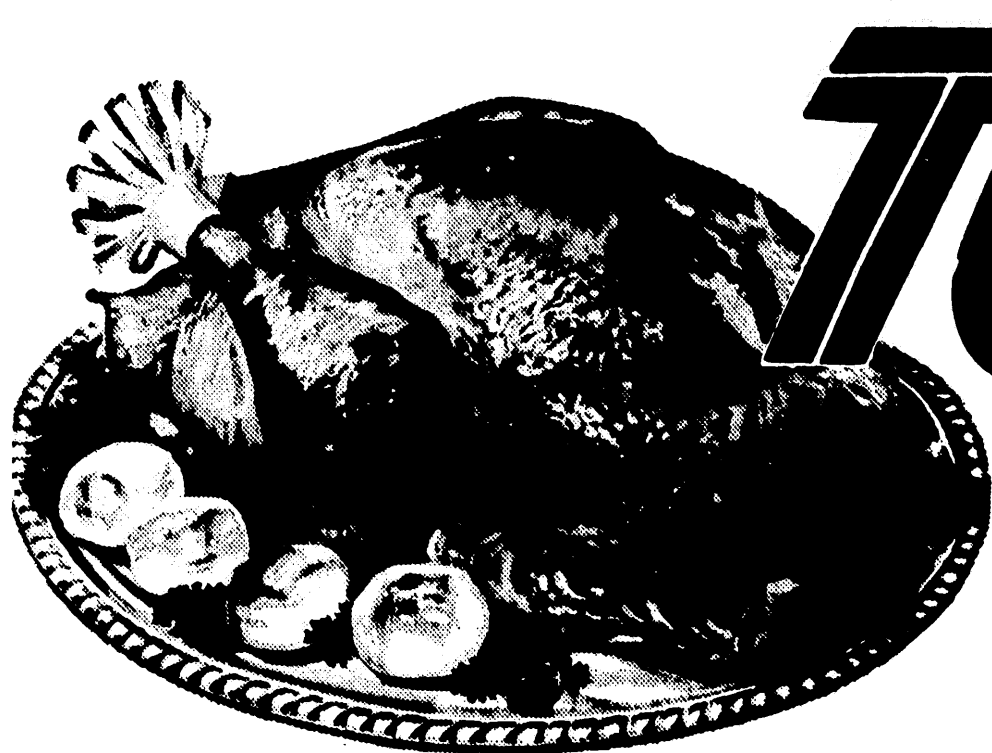

Office Hours: 8:45 a.m. to 4:30 p.m. except Saturday and Sunday.

Donald J. Guindon
City Treasurer

Hoerner Boxes Plans Merger

KEOKUK, Iowa (AP)—Directors of Hoerner Boxes Inc., have formally approved a merger agreement with Waldorf Paper Products Co. of St. Paul, Minn. A special stockholders meeting was set for March 29 for a vote on the proposed merger. A majority of the board of Waldorf previously signed the agreement.

Hoerner Boxes, Inc., operates in the Upper Peninsula of Michigan, with its Huss Ontonagon Mill Division headquarters at Ontonagon.

There it manufactures semi-chemical corrugating medium. This heavy paper is used in the manufacture of corrugated shipping containers and is the part of the container which is corrugated.

The Ontonagon mill is now producing about 85,000 tons of this paper a year, which requires about \$1.5 million worth of pulpwood, giving part time or full time wood production employment to about 750 people, the company estimates.

The Ontonagon mill employs 200 persons with an annual payroll of \$1.5 million. The two companies have shared ownership of a paper mill at Missoula, Mont., since 1957. Waldorf owns a paper mill in St. Paul, Minn., while Hoerner employs some 200 in its Huss-Ontonagon division paper mill in Ontonagon County, Mich. If the merger is approved by stockholders of both companies, the combined company will have facilities for complete packaging from the inner carton to corrugated paper shipping containers.

Powers-Spalding

Bridal Shower
A bridal shower honoring Donna Paquin, daughter of Mr. and Mrs. Dennis Paquin of Spalding was held at St. Francis Xavier parish hall on Monday evening, Feb. 7.

Miss Paquin is bride elect of Francis Gatten, son of Mr. and Mrs. Gatten of Wilson.

Games were played by approximately 125 guests. Hostesses for the event were Joanne Paquin, Luella Murray, Evelyn Vorin, Mary Sharkey, Janey Poupore, Charlene Otravoc, Durene Perry and Penny Hawrylow.

A buffet lunch was served from a table centered with a bridal doll and a large decorated sheet cake with sugar bells. Large paper bells and streamers decorated the table.

St. Ann Meeting
The regular monthly St. Ann Society meeting was held Monday evening at the St. Francis Xavier parish hall. Seventeen members were present. Discussion of the Forty Hours Devotion was led by president, Mrs. Kenneth Bellmore. Thank you notes were read by secretary, Mrs. Wilfred Fleetwood.

For the February meet, a program of Catholic literature was given by Mrs. Julia Kass. The title of her talk was, "Let Light In."

The Sacred Heart Circle is in charge of church cleaning for the month of February. Next month, the Carmela Circle will be in charge.

Holy Name Men
The Holy Name Men of St. Francis Xavier parish held their monthly meeting Monday evening in the parish hall. They discussed summer projects which they plan to undertake this year.

The two societies joined after their business meetings for lunch served by the Holy Name men.

Upper Nile tribesmen relax by resting the sole of one foot against the knee of the other leg.

Rapid River Homecoming Set For Saturday

Rapid River's Homecoming Dance Saturday, Feb. 12, 9-12 p. m., sponsored by the student council, will have an Italian theme expressed by the popular song, "Al di La." The party held at the Rapid River High School gymnasium will feature dance music by the "Trois", from Kingsford.

The evening will begin with the announcement of the school's homecoming queen and king winners, which will be selected from the senior class candidates; queen, Lois Greenlund, Kathy Martens, Cindy Safford; king, Bob Anderson, Dick Forslund, Roland Jacobson. The winners will be presented their crowns by student council president, Pat Larabee. Pat will also present one dozen red roses to the new queen.

The royal pair will lead the homecoming party by beginning the grand march. The royal court will be composed of the senior candidates and elected members of the junior and sophomore classes, juniors, Diana Anderson, Douglas Schroeder; sophomores, Jane Johnson, Mark Hansen.

The semi-formal dance will welcome several Rapid River graduates who will return to their hometown for the homecoming celebration. The homecoming basketball game between Rapid River and Perikins High Schools will precede the dance. The junior varsity game will begin at 6 p. m.; the varsity at 7:30 p. m.

The decoration committee headed by Cindy Safford and Margaret Soderberg has been busy preparing the colorful Italian scenes that will decorate the gym. Mrs. Clifford Gillette is advisor for the decoration committee. Other working committees are: band, Ruth Gulickson, Lois Greenlund, Esther Sigfrids; coronation, Pat Larabee, Sandy Gibbons; budget and program, Tom Nelson, William McGovern; refreshments, Diana Anderson, Tom Novak, Mrs. Ray Phillips; advertising, Tom Safford; alumni, Norman Slough, Esther Sigfrids; visiting school, Karen Sundquist; clean-up, Klint Safford, Dale Morin; properties, Dan Safford, William McGovern; hat check, Dan Sundquist, Mike Sigfrids.

Nancy Sinatra Tops Of Pops

LONDON (AP)—Twelve years ago Frank Sinatra topped Britain's popular music listings with his recording of "Three Coins in the Fountain."

His daughter, Nancy, 25, turned in a repeat performance for the Sinatra family Monday with the disc "These Boots are Made for Walkin'." Connie Francis was the last American girl to be top of the pops in Britain. That was eight years ago.

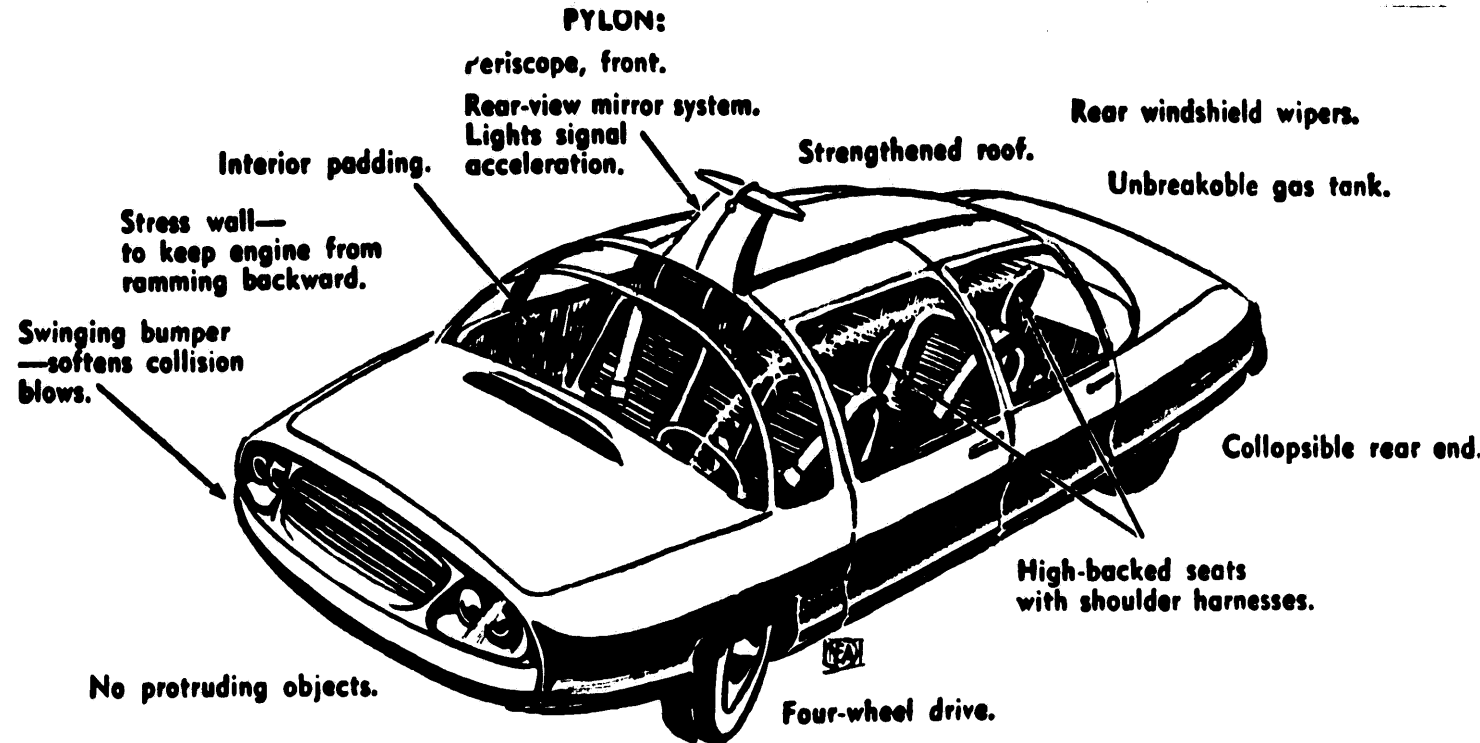

Isabella

Mr. and Mrs. Pete Forslund have returned to their home in Chicago after visiting at the home of Mr. and Mrs. Alfred Erickson.

Guests at the home of Mrs. May Nedea were, Mr. and Mrs. Nedea Levine and family, Harry Kanen, Fontana, Wis. and Mrs. Robert Letson and daughter, Penny of Ontonagon. Eugene Johnson has returned after visiting at the home of his daughter, Mrs. Steven Jewel and family at Plymouth, Mich. and his son Eugene and family at Alpena.

Mr. and Mrs. Kenneth LeVigne returned from Chicago where they visited at the Gus Moberg and William Morrison homes.

Mrs. Harvey Sundin, Mrs. Kenneth Peterson, Mrs. Arvid Sundin were guests of Mrs. Al Asplund Wednesday at a church fellowship meeting.

NEW YORK STATE SAFETY CAR—There are 134 new safety features in a model car designed by Republic Aviation under contract to New York state. Some of them are pointed out in the sketch above. The car would be about

the size of a Ford or Chevrolet and would have a 200-horsepower engine. It was described as crash-resistant, though not crash-proof. Its potential is to decrease accident deaths and injuries a minimum 50 per cent.

Annual Report Shows Loss In Fires \$13,412

Bob Bezzi, fire chief for Masonville Volunteer Firemen, which furnishes fire protection for three townships, Masonville, Ensign, and Bay De Noc, reports that the 1965 fire loss totaled \$13,412.

Of this total \$8,827 was dwelling loss, \$4,350 buildings other than dwellings, \$2,500 dwelling content loss, \$75 content other than dwelling, \$1,860 miscellaneous fire loss, such as automobiles. Thirty-three fires were attended by the firemen and six calls made for oxygen. One dwelling fire made up the largest percentage of the fire loss. The home located 15 miles from Rapid River caught on fire in 15 degrees below zero weather.

The fire hoses froze and the home was a complete loss. Masonville volunteer firemen hold meetings every first Thursday of the month at the

Masonville Township Fire Hall in Rapid River. Officers are Bob Bezzi, fire chief, Gus Marten, Connie Johnson, assistant chief, Jack Miller, Jr., secretary, treasurer, Bob Oberg, hook and ladder man. Connie Johnson is the only paid employee of the Masonville fire department. Johnson, who makes his home at the fire hall, is on 24 hour fire call every day of the week. Fire calls are answered by store owner, Ray Morin when Johnson is off duty.

Women's Activities

ANNOUNCEMENT is made by Mr. and Mrs. Leo Therman, 941 N. 20th St. of the engagement of their daughter, Sally Jo, to Harold J. Young, son of Mr. and Mrs. Walter Young of Rte. 1 Gladstone. No date has been set for the wedding. (Lee's Studio)

Danforth

Llewellyn Larson of Danforth and Charles Kunde of Skandia have returned to their homes after attending a training school for tractor mechanics at the J. I. Case Company in Racine. They were away for one week.

Several women from the Danforth area attended the Daily Press cooking school at the Bonifas Auditorium last week.

Round Dance Workshop To Meet Sunday

Rapid River round dance workshop will meet Sunday, Feb. 13, 7 p. m. in the multi-purpose room of the Bay de Noc Elementary School in Rapid River. Officers will be elected and a group name selected. Registration is closed for this season. Couples who have missed registering for this session will be given another opportunity to join a new class in the fall.

A polka mixer will be added to the program. Three waltz routines will be reviewed including the basics; waltz balance waltz away and together, change sides, waltz vine, and solo waltz. A new basic, waltz maneuver will be introduced. Lunch will be served by Mr. and Mrs. Ed Lamberg, Ensign, Mr. and Mrs. Lang Tang, Escanaba, Mr. and Mrs. Frank J. Lundberg, Ensign, Mr. and Mrs. Mike Majestic, Rapid River.

Capacity Crowd Attends Annual Parents' Night

RAPID RIVER — A capacity crowd attended the Friday night basketball game between Rapid River and Rock High Schools. It was the school's annual Parents' Night sponsored by Rapid River Student Council. Parents were greeted and ushered to their seats by Ruth Gullikson, Lynn Stenlund, Sue Sundberg, and Cindy Safford.

Following the junior varsity game, the parents of the school's varsity basketball and cheerleading teams, student manager, and coach, William McGovern and Mrs. McGovern were announced by mistress of ceremonies, Cindy Safford, and presented rose corsages and carnation boutonniere by Ruth Gullikson and Lynn Stenlund.

After the varsity game which was won by Rapid River, refreshments were served in the home economics room with hostesses, Kathy Marten, Cheryl Boyer, Peggy McClintchy, and Janice Bezi. The serving table was decorated with a large heart shaped cake and white candles. Refreshment arrangements were made by Mrs. Ray Phillips, school home economist.

Parents honored were Mr. and Mrs. George Anderson, Mr. and Mrs. Ronald Sundberg, Mr. and Mrs. Viekko Pasi, Mr. and Mrs. Harold Forslund, Mr. and Mrs. Tom Safford, Mr. and Mrs. Bob Bezi, Mr. and Mrs. Benjamin Viau, Mr. and Mrs. Wendell Johnson, Mr. and Mrs. Reino Ojala, Mr. and Mrs. Ben Mroz, Mr. and Mrs. Lloyd Sundberg, Wesley Anderson, Mr. and Mrs. Lloyd Belland, Mr. and Mrs. Charles Gouin, Mr. and Mrs. Oswald Hansen, Mr. and Mrs. George Moore, Mr. and Mrs. Ray Sundquist.

First Methodist Fellowship Sponsors Movie

A color movie, entitled, "And On the Eighth Day," will be shown at the First Methodist Church of Escanaba on Saturday, Feb. 12, at 7:30 p. m. This picture circles the world, probing the question, "What is God Doing in Our World Today?"

A church school pupil, Jerry, tells his class the story of creation, but does not stop with the seventh day, his inquiring mind leads him to ask, "What did God do on the Eighth Day? What is He doing now?" The picture tries to answer Jerry's question and also shows how each one of us may participate in God's ongoing activity in our world.

Following the movie, refreshment will be served by Mrs. Jack Foster, Mrs. Lowell Hebbard and Mrs. Douglas Walker. The meeting is sponsored jointly by the Adult Fellowship and the Commission on Mission. The public is invited to attend.

Isabella Circle Is Planning Valentine Social

Daughters of Isabella Trinity Circle 362 will hold a pre-Lenten Valentine Social, Monday, at 8 p. m. for members and invited guests. The event will be held at the Teanister's Hall. Members having birthdays during this month and who plan to attend the social are asked to call chairman, Mrs. Frances Grey, 786-5318 or co-chairman, Mrs. Edward Larson, 786-7510.

The assisting committee members are Mesdames, Richard Frederick, Anna William, Betty Pepin, Victor Groos, Anthony Orzel, William LaVallie, Milton McGovern and Paul Rademacher.

Classified Ads Cost Little But Do A Big Job

MR. AND MRS. CARROLL F. Douc, 1119 6th Ave. S. announce the engagement of their daughter, Carole, to Richard W. Collins, son of Mr. and Mrs. John Collins of Wells. Miss Douc is currently a member of the credit department of Montgomery Wards in Escanaba and Mr. Collins is employed at the Mead Corporation. A May wedding is planned. (Ridings Photo)

Webster Students Rapid River Tour Daily Press

Thirty-four students of Mr. R. Tippet's sixth grade class at Webster School toured the Escanaba Daily Press Wednesday afternoon. The class is in the process of studying newspaper makeup and they will be getting out their own newspaper soon.

Fayette

Miss Carol Van Remortel and Dennis Michalik have returned to Northern Michigan University, after spending the mid-semester vacation at the home of their parents.

Carl Freiberg left Sunday for Marquette where he has enrolled at Northern Michigan University.

Mrs. Donald Cota has entered the Schoolcraft Memorial Hospital for treatment.

Pat Casey returned Sunday from South Vietnam, where he spent the past nine months. He has now served his enlistment and has been discharged.

Mr. and Mrs. Gerald Casey and Mr. and Mrs. Adson Casey, Manistique, attended the Fishermen's Convention at Traverse City over the weekend.

Mr. and Mrs. Myron DeVet have returned from Chicago where they spent several weeks visiting relatives.

Flat Rock P-T Club Holds Regular Meeting

A regular meeting of the Flat Rock Parent Teacher Club was held in the multi-purpose room of the school, Tuesday, Feb. 8. Superintendent Leo Brunelle, introduced the new first grade teacher, Miss Mary Pakarinen and also announced that the remedial reading classes started Feb. 1 with two classes being held each afternoon after school. Nineteen pupils are enrolled in each class.

School class pictures will be taken Feb. 14 and Valentine parties are scheduled for Feb. 11. Donn Hakanson reported on the leathercraft display made by his class during noon hour and recess. The next projects chosen by the class are jewelry and coppercraft.

Room count was won by Mrs. Wayne Christoff's first grade room.

Refreshments were served by the fourth and fifth and sixth grade mothers with Mrs. Ed Solis, Mrs. Don Chenier, Mrs. Harry Lancour, and Mrs. Arthur Tourangeau Jr., room mothers in charge.

THE DIRECTOR of the Salvation Army Stringband is Mrs. Esther Ekstrom for the all musical missionary program to be presented at The Citadel, 112 N. 15th St., at 7:30 p.m. Thursday, Feb. 10. Participating will be Major and Mrs. Orville Butts, Edward Berg, James Haga, Marie Collins, Bonnie and Leroy Butts. The public is invited.

Joan Nedea To Be Bride

Mr. and Mrs. Leo Nedea of Isabella announce the engagement of their daughter, Joan, to Dale Thill, son of Mr. and Mrs. William Thill of Fayette. A June wedding is planned.

SAVING THE 'WILD RIVERS'

PRESERVATION of remaining untamed rivers, such as forests and grasslands are maintained in their natural states by the present federal park and forests systems, continues to be a major conservation goal of the Johnson administration. "Wild rivers" legislation introduced in the last session of Congress appeared again in the current one, where it was the first item passed by the Senate although shelved in the House committee. As proposed by the administration, the measure would immediately place parts of five rivers under federal protection: Clearwater (2) and Salmon (3) in Idaho;

Rogue (5) in Oregon; Rio Grande (14) in New Mexico, and the Eleven Point (16) in Missouri. Thirteen additional rivers would be studied for possible inclusion in the wild rivers system: Skaugat (1) in Washington; Missouri (4) in Montana; Green (6) in Wyoming; Wolf (7) in Wisconsin; Little Miami (8), Little Beaver (9) in Ohio; Hudson (10) in New York; Youghiogheny (11) in Maryland and Pennsylvania; Susquehanna (12) in New York and Pennsylvania; Capacon (13) in West Virginia; Niobrara (15) in Nebraska; Suwannee (17) in Georgia and Florida; Buffalo (18) in Tennessee.

Park Police Plan Opposed

LANSING (AP)—A proposal to create a corps of volunteer marshals to police state parks and campsites received a lukewarm reception here from the State Conservation Department.

Sen. Carl O'Brien, chairman of the Senate Conservation Committee, D-Pontiac, introduced a bill calling for the department to appoint marshals to keep law and order in the parks. They would have the same powers given regular Conservation Department officers but would receive only actual expenses.

John Anguill, chief of the department's law enforcement section, said the volunteer marshal plan had been tried in the past with bad results.

Park hoodlums did not respect the volunteer officers it was found.

Buy and sell the classified way

Prisoners Can Visit Families

WASHINGTON (AP)—Trustee federal prisoners soon will be allowed to spend weekends with their families outside prison walls.

The unprecedented furloughs, federal prisons Director Myrle E. Alexander said today, "will strengthen and maintain family ties."

Under a law enacted by Congress last year, nearly 100 minimum-security prisoners have left confinement for deathbed visits, funerals and pre-release job interviews.

"These men can now leave prison unescorted to visit the dying," Alexander said in an interview in which he disclosed the extension of the furlough plan. "But how much more important it is to strengthen their ties with the living."

He sees the furlough plan as a "valuable treatment device that can make a major contribution to a man's preparation for the outside world."

Under the new regulations, he said, prisoners will be given 48-hour passes to visit their wives, children, parents "or other responsible members of the immediate family."

If the hometown is too far away to make such visits practical, the prisoners will be allowed to meet relatives in a nearby community.

Except for staying within the limits of the area agreed on in advance — and, of course, staying out of trouble — there will be no restrictions on their activities with their families, Alexander said.

"They can have a meal in a restaurant, stay in a hotel, go to the movies, or go to church together," he said.

The privilege will not be extended to men convicted of violent crimes or those identified with "large-scale organized crime activities."

Each prisoner will be limited to four such furloughs a year. No government money is involved. Either the families of the prisoners will pay the expense of the furlough, or the prisoners may draw on their prison accounts, accumulated through work in prison industries.

Alexander said he decided to go ahead with the expanded furlough plan after 100 prisoners had been released for emergency furloughs under the new law — and all had returned to confinement on schedule.

McMillan
Mrs. Gordon Snyder of Munising spent Sunday visiting with Mrs. Gretta Snyder.

Word has been received here that Alvina Mainville and Lorraine Armstrong are vacationing in Laredo, Tex.

Mrs. Al Revord and Mrs. John Painter of Newberry; Mrs. Donald McInnis were business callers in the Soo Friday.

Mrs. John Meloy and infant daughter, Melody, arrived home from the Tahquamenon General Hospital Saturday.

Mr. and Mrs. Willard Harkness of Lakefield, Shirley Harkness of Rudyard, Mr. and Mrs. Kerry Burns and girls of Germfask visited Sunday at the home of Mrs. Audrey Sanborn and family.

Mr. and Mrs. Gerald Mainville and boys were called to the Soo Friday.

Robert Couturier, Donald Auge and Frank Kirby who are employed at L'Anse, spent the weekend at home with their wives and families.

Mr. and Mrs. Max Anderson and Mr. and Mrs. Max Simmons motored to Manistique Friday, on business.

Mr. and Mrs. Lyle Painter and Mrs. Russ Mark motored to Marquette on Monday to visit with Russ Mark, who is a patient at St. Luke's Hospital.

Mrs. Rob Couturier and Mrs. Audrey Sanborn were callers in Newberry on Monday.

Mrs. Myrtle Whitmarsh of Newberry left the Lincoln School as the Junior High teacher and principal at the end of the first semester. She has been replaced by C. L. Lewis of Curtis, who will teach for the remainder of the year.

Mrs. Al Crawford and Junior and Mrs. Frank Kirby were callers in Newberry, Monday.

Mr. and Mrs. Carley Williams and family of Germfask visited on Sunday with his mother, Mrs. Evelyn Williams and family.

The terebinth tree, like the conifers, is another source of turpentine.

MAJESTIC'S On Highway US-2 AT ENSIGN

EATON, YALE & TOWNE executives conferred in Escanaba Wednesday over plans to build a major addition to the company's Dynamic Division plant at Gladstone. Pictured are J. J. (Bill) McElhatten of Kenosha, Wis., who will be assigned to the new Gladstone operations as industrial engineer; Reuben Sjoquist, manager of the motor plant at Gladstone; F. L. Hopf of Kenosha, general manager of Dynamic Division; and William A. Mattie of Cleveland, O., group vice president-general products. (Daily Press Photo)

Eaton Puts \$2 Million Tag On New Gladstone Plant

By DAVE ANDREWS

The planned expansion of the Dynamic Division plant at Gladstone, including machinery to be installed inside, is expected to cost Eaton, Yale & Towne, Inc., nearly \$2 million.

That was the figure, in round numbers, given Wednesday by William A. Mattie, Cleveland, group vice president for general product manufacturing, when in Escanaba to detail company plans for Gladstone civic and governmental leaders.

Mattie, F. L. Hopf of Kenosha, general manager of Dynamic Division, and J. J. (Bill) McElhatten, Eaton Industrial Engineer, flew in via company plane Wednesday morning for a luncheon meeting at the House of Ludington.

"The expansion at Gladstone will be an addition to our overall power transmission program," said Mattie. "It's a new line for Eaton."

"The big thing now is to get moving," he emphasized. "We've got to get going very fast. That's why we intend to start minor operations in temporary buildings."

Purchase Assets

"We bought the assets from a business which wasn't operating," he said. "We've got to hurry to retain their customers."

Mattie explained that Eaton, Yale & Towne purchased materials and inventory for manufacturing of sheaves and pulleys, etc., from a Worthington Corp. plant at Oil City, Pa., which was being liquidated and it is extremely urgent that the company begin manufacture of the equipment as soon as possible to avoid losing dealers and customers to competitive corporations.

"There are 350 distributors around the country that we don't want to lose," he said.

Hopf, who will retain ultimate command of the operations from his general manager's post at Kenosha, said that employees hired will be all from the local area. There will be some supervisory and technical personnel coming into Gladstone, he pointed out, but the intent of the company is to use the local labor force.

Kenosha Controls

"Sales, distribution, engineering and purchasing for the expanded Gladstone plant will all be handled out of Kenosha," he said.

Reuben Sjoquist, current plant manager at Gladstone, will remain as manager of Dynamic Division's motor plant operations at Gladstone. Carl Lindee of Oil City, Pa., will take over as Mechanical Power Transmission plant manager.

D. E. Tessenhardt, who also comes to Eaton from Worthington Corp. at Oil City, has been named general manager of the Mechanical Power Transmission Division. He'll have offices in Kenosha.

McElhatten will be assigned as industrial engineer at Gladstone.

Hopf said that if the company can occupy its new building by July 1, hopes are for full production by August 1. Until that time, he said, temporary manufacturing at the Steel Tank plant in the Industrial Park and at the Welch Building (the old Ford Garage) will continue.

Need Machinists

"I think the figure 300 new jobs as a starter is a little high," he continued. "We plan to take on 100 employees immediately and build up to about 300 total, including both plants."

Both Hopf and Mattie said the company would have great need for persons trained in general machining work — set-up men, lathe operators, milling machine men, etc.

They emphasized, however, that speed in getting production underway is the most important thing to consider at the moment.

Both appeared to be optimistic that it could be done. Certainly, the City of Gladstone and the area will do all it can to help.

Special Display Marks National Boy Scout Week

Cub Scouts of Pack 471 are observing National Boy Scout Week and have a display of their handicraft in DeLisle's Window. Winning cars of the Pinewood Derby are included in the display.

Cubs wore their uniforms to school on Tuesday and on Sunday attended their churches in uniform.

Among plans being made for future activities are the checker tournament which will be held this month. Each den will select its champion and the winner in the final playoff will be presented the pack championship award at the Blue and Gold Banquet to be held Saturday, Feb. 26, in the basement of All Saints Church.

Families of the Cub Scouts are invited to attend the banquet which is planned as a birthday get-together for all cubs and their families. Cubbing is primarily a family affair and parents are requested to be present when awards are presented to the boys as a parent must make the presentation.

Pack 471 is sponsored by August Mattson Post 71, American Legion and William Swenson is the Institutional Representative. Flore Swift is cubmaster and committeemen are Richard Schram, Ed Davis, and Alcott Erickson. Charles Borden is assistant cubmaster and treasurer. Mrs. Werner Isaacson, secretary.

Active adult leaders are Mrs. Maurice Buchmiller, Mrs. Norman Demetuse, Mrs. Betty Thomas, Mrs. Clifford Mineau, Mrs. David Nivison, Mrs. Alex Hess, Mrs. Ellis Movelson, Mrs. Elmer Dahn, Mrs. Wayne Mar-malick, Mrs. Douglas Shapiro.

Mrs. Robert Richards and Mrs. Edward Thompson.

There are 87 Cubs in the pack and all are learning to work together, earn awards, and to assume responsibility.

The ambo in early Christian churches was the pulpit or reading desk from which modern pulpits probably were derived.

Mailboxes Given Rude Treatment

A number of families living on Co. Rd. 426 in Escanaba Township may not get any mail today.

State Police reported that a car driven by Duane Hoffman, 34, of Rte. 1, Gladstone, damaged eight to 10 mailboxes when it ran off the road at 1:45 a.m. Troopers said Hoffman, who was not injured, lost control of his car just south of Co. Rd. 416.

He was ticketed for violation of the basic speed law, too fast for conditions.

John Adams Is Elected To Head Fire Department

HERMANSVILLE—The Meyer Township Volunteer Fire Department met at the Fire Station Saturday evening and enjoyed the annual dinner and elected officers.

John Adams is president for the coming year and other new officers include Carl Swanson, vice president; Frank Ducat, secretary; and Clarence Ayotte, treasurer. Outgoing officers include Carl Swanson, president; Richard Grenier, vice president; Harold Stecker, treasurer and William J. Eisenzoph, secretary.

Fire Chief Richard Grenier reported there were nine fires in 1965 and James E. Gribble of the Rescue Squad reported 60 ambulance calls for 1965. Carl Swanson, Harold Stecker, Richard Grenier, George Farley, John Adams, assisted in the preparation of the dinner.

On Sunday afternoon, the Hermansville Volunteer Fire Department was host to 50 firemen of the Upper Peninsula Volunteer Firemen's Assn., members of the Menominee County Volunteer units and Menominee.

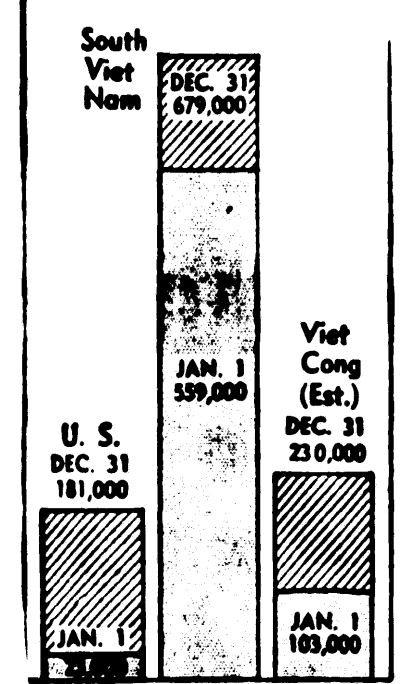

It was decided at the meeting that Menominee will be host of the 72nd annual Upper Peninsula Volunteer Firemen's convention Aug. 4, 5, 6. Hermansville had been awarded the convention, but asked that Menominee take it.

Mayor John Reindl, Fire Chief William Sporrer and members of the Fun-O-Rama were in Hermansville for the meeting.

Farm Prices Up

LANSING (AP) — The index of prices received by Michigan farmers advanced four points from mid-December to mid-January. The January price index was 27 points above a year ago. The Federal-State Corp Reporting Service said the rise was mainly due to higher prices for meat animals, cash field crops, feed crops and apples.

TRIPLE BUILD-UP

U.S. TROOP strength in Viet Nam jumped to more than 180,000 with the start of the new year with the build-up of more to come. But the build-up which began only a year ago is not one-sided. Both South Vietnamese and the Viet Cong contributed heavily to the rapid escalation in manpower which marked 1965.

Auto Workers Fight Pay Gap

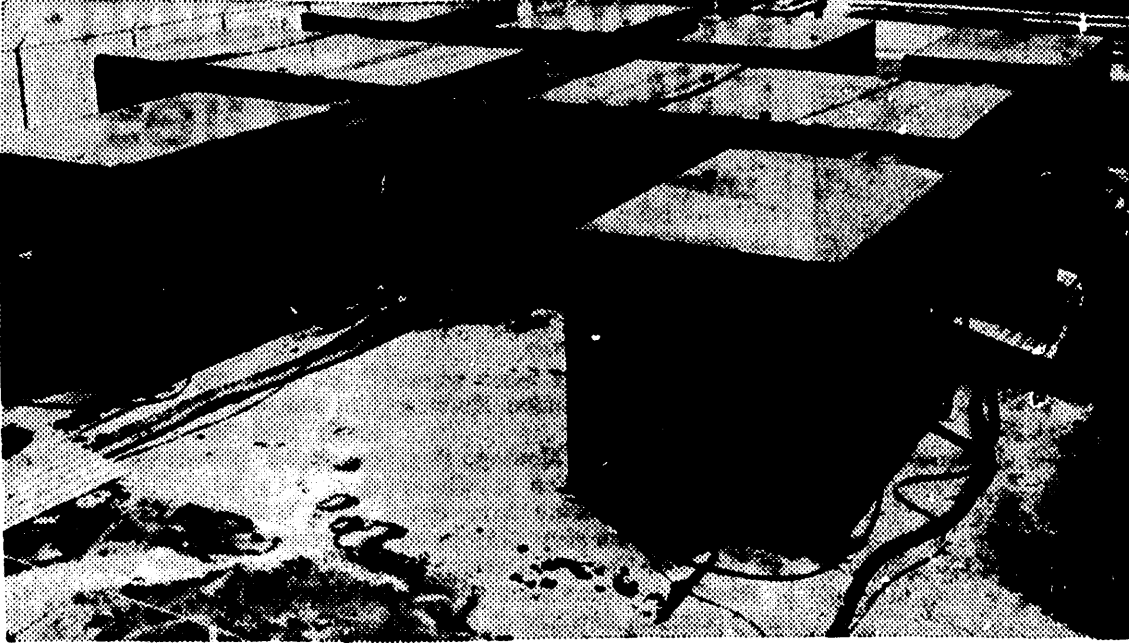

WASHINGTON (AP) — The United Auto Workers Union has launched a campaign to close the wage gap between its U. S. and Canadian members, which could cost Canadian automakers an estimated \$89 million a year.

Union Vice President Leonard Woodcock said the wage gap is now 38 cents an hour lower for Canadian workers and would widen to 41 cents by the time contracts run out in 1967.

Year Term For False Alarm

BOSTON (AP) — A man who sent a false distress call over a citizens band radio has been sentenced to one year in a federal prison.

Richard F. Conery, 24, of Brockton, Mass., was convicted of sending a message April 23, 1965, that a vessel was sinking

FRONT-LINE PHOTO FINISHING—A complete, prefabricated photo processing installation developed by Goodyear Aerospace Corp. at Akron, Ohio, can be airlifted to forward combat zones to provide immediate processing of air tactical reconnaissance film. The eight-unit system, constructed for shipment in C-130 planes, can be set up in two hours.

PRICKLY SHRUBS

The prickly ash, a shrub tree of the rue family, is also

called the toothache tree. Another spiny, but larger, shrub tree, the sea ash, is called Hercules-club or the devil's walking stick, according to the Encyclopedia Britannica.

Senate To OK House Changes In GI Benefits

WASHINGTON (AP) — The Senate plans today to accept nearly all of the changes made by the House in approving the GI bill.

But one expected Senate change may force another House vote before Congress can give final approval and send to the White House the measure setting up a permanent system of education and home loan benefits for veterans.

Although the measure is more costly than one pushed by President Johnson, he is expected to sign it into law. It would provide assistance to veterans with more than six months military service retroactive to the expiration of previous programs on Jan. 31, 1955.

The legislation comes up for a floor vote after the Senate acts on shutting off a filibuster against the union shop bill.

Sen. Ralph W. Yarborough, D-Tex., chief sponsor of the veterans legislation, said he was prepared to go along with the basic framework of the House version.

However, Yarborough said he would insist on an amendment to make clear that the education benefits could be used by veterans who have not graduated from high school.

House experts on the measure said they were confident such veterans were covered. But Yarborough insisted there was doubt and declared that the point must be nailed down.

The World War II and Korean War GI bills did cover veterans who had not finished high school.

The current measure was passed by the Senate 69 to 17 last July.

The House cleared it Monday by a 381-0 vote but cut back the benefits in several categories.

It would provide for education payments ranging from \$100 to \$150 monthly, depending on the number of dependents. The Senate range was \$110 to \$165.

The House bill would require three years' service to qualify for 36 months of education — a full college course — while the Senate measure would only require two years' duty.

Payments would be made directly to veterans, who could choose their own schools. No payments would be made retroactively for veterans who have attended school since 1955.

U.P. Debaters Compete Friday

MARQUETTE — Twenty-three Upper Peninsula high schools, including Escanaba and Holy Name, will compete for top honors in the U.P. championship debates at Northern Michigan University this Friday and Saturday.

Championship rounds of the two-day tournament will be telecast Saturday beginning at 9:30 a.m. by WNMN-TV, Northern's peninsula-wide educational television network. (Ch. 4 on Delta-TV Cable.)

Schools have been divided into two groups — one division is comprised of high schools with an enrollment of more than 400, and the second of high schools with less than 400 students. All schools will participate in three preliminary rounds Friday.

Eight semi-finalists, four in each group, will be selected on the basis of "won-lost" records and point totals. Semi-finals are scheduled for 8 a.m. Saturday.

The topic is: "Resolved: That the federal government should adopt a program of compulsory arbitration in labor-management disputes in basic industries."

Winners in last year's large and small divisions were Negaunee High School and Marquette Bishop Baraga, respectively. Bishop Baraga went on to capture second place in the state tournament. U.P. Championship teams again will be eligible to compete in the state tournament at the University of Michigan in April.

High school participating are Escanaba, Escanaba Holy Name, Gladstone, Iron Mountain, Ironwood, Ishpeming, Kingsford, Manistique, Marquette, Menominee, Munising, Negaunee and Newberry in the large division, and Baraga, Bark River-Harris, Bessemer, Eben, Elver, Felch, Houghton, L'Anse, Marquette Bishop Baraga and Negaunee St. Paul in the small division.

Florida Coeds To Fete Vets

GAINESVILLE, Fla. (AP) — The University of Florida student body will provide a fete — and campus beauty queens as dates — for four young Viet Nam combat officers in "Operation Appreciation" this weekend.

"I think it's an excellent idea," said Donna Kay Berger, 19, from New Orleans, Miss University of Florida and one of four campus belles designated as dates for the weekend.

"I would like to see people in the States back our boys in Viet Nam," added the curvaceous sophomore, who still doesn't know who will be her date for the weekend.

All four officers returned recently from Viet Nam to Fort Bragg, N.C. They are scheduled to arrive here Friday for a round of fraternity and sorority parties, dinners and other gatherings.

Driving Test Foe Arrested On Drunk Count

LANSING (AP) — Sen. Basil Brown, D-Highland Park, was jailed overnight on a drunken driving charge, Lansing Police Lt. Okey Peterson said today.

Brown was released this morning on \$100 bond and ordered to appear in Municipal Court later today.

Peterson said Brown ran off a main street in south Lansing but no accident occurred. He was arrested by officer Daniel Waltz.

Peterson said Waltz' report showed that Brown refused to take a drunkometer test at Sparrow Hospital following the arrest.

He was jailed at 11:30 p.m. and released at 8:05 a.m.

Brown said Tuesday, following a hearing of his Senate Judiciary Committee, that he is opposed to the so-called implied consent drunken driving bill. The measure says that anyone holding a driver's license has implied his consent to be tested for drunkenness while driving.

Brown favored an expressed consent measure, where the driver must specifically say he agrees to be tested at any time.

Brown said social pressure would force most drivers to so agree.

Seney

The Cribbage Club met Wednesday evening with 7 tables in progress. The women won by several points.

Mrs. Pearl Smith and Mrs. Nora Mark attended the funeral of R. Ruggles at Newberry Thursday.

Several persons from Seney are attending the Adult education classes in Germfask.

Ray Nelson of Pontiac visited here last week for a few days with his mother, Mrs. Jennie Nelson.

Mr. and Mrs. Mike Maxson and son visited over the weekend with relatives at the Soo.

Howard Carpenter and son Paul who are attending the lumber grading school at L'Anse, spent the weekend at their home here.

The WSCS met Tuesday evening at the church annex in Germfask with Mrs. Deacon and Mrs. Crocker hostesses.

Mr. and Mrs. Pat St. Martin from Munising visited here Tuesday with Mr. and Mrs. Dick St. Martin.

Isabella

A card party will be held Saturday evening at the home of Mr. and Mrs. Francis LeVigne at 8 p.m. The card party is sponsored by the Isabella group of the Garden PTA. Refreshments will be served by a ladies committee. Members and friends are invited.

Bantam Barnum Billy Rose Dies

MONTEGO BAY, Jamaica (AP) — Billy Rose, the master showman who made a fortune out of the unlikely combination of extravaganzas, curvaceous girls and the stock market, died today in Montego Bay.

Rose, 66, died of lobar pneumonia at the Elmhurst Nursing Home.

He had come to Montego Bay, where he maintains a winter home, to recuperate from cardiovascular surgery performed in Houston, Tex., in December.

Rose, an impresario, theatrical producer, newspaper columnist, nightclub owner and writer of such songs as "That Old Gang of Mine," "Without a Song," "Me and My Shadow," returned to his New York home Dec. 22.

In New York, a close friend, Broadway producer Arthur Cantor said, "one of the reasons Billy went to Jamaica was because he was feeling better."

He flew to Montego Bay Tuesday with his sister, Polly Gottlieb, wife of Hollywood producer and writer Alex Gottlieb. Doctors had prescribed a six-week recuperation.

Gottlieb said in Beverly Hills, Calif., that his wife had called him and said Rose had caught a slight cold two days ago and developed pneumonia Wednesday.

Mrs. Gottlieb was planning to accompany the body to New York today, where funeral arrangements will be completed.

Surviving besides Mrs. Gottlieb is another sister, Miriam Stern of New York City.

The 5-foot-3 Rose scrambled out of the Manhattan slums and at the time of his death was worth more than \$25 million. He once joked that "if my luck holds out by 1970 I will really be a rich fellow."

He made his first million three months after the 1939 New York World's Fair opened. His "Aquacade" was the hit of the fair and its star, Eleanor Holm, became one of his four wives. He was actually married five times, but he married one wife, Joyce Matthews, twice.

Another wife was Fanny Brice, the comedienne whose life story was told in the hit Broadway musical "Funny Girl." He was also married to Doris Warner, daughter of motion picture executive Harry Warner.

He once characterized success as "a combination of good health, good friends and a financial career where the winners make \$2 more than the losers."

In marriage Rose said he didn't consider himself "a monumental success in that department because at 65 I'm a bachelor."

Eldor Miller Dies Today

Eldor H. Miller, 67, of Kipling died at 1 a.m. this morning at St. Francis Hospital shortly after he was admitted. Born Sept. 14, 1898 in Medford, Wis., he had been a resident of Kipling for the past 65 years.

In early years he had been employed by the Cleveland Cliffs Iron Co. and the Atlas Plywood Co. He retired three years ago from the Theisen-Clemens Oil Co.

He was a member of St. Paul's Lutheran Church in Gladstone.

He is survived by his widow, the former Imogene Switzer; one daughter, Betty, at home; one son, Duane, San Jose, Calif.; two grandchildren and two great grandchildren.

Friends may call at the Skradski Funeral Home in Gladstone after 3 p.m. Friday. The body will be removed to St. Paul's Lutheran Church at 1 p.m. Saturday where services will be conducted at 2 p.m. by the Rev. Theophil Hoffmann. Burial will be in Gardens of Rest Cemetery.

Rent Bill For Elderly Backed By 24 Senators

(Continued from Page 1)

to the taxes on the first \$2,500 of state equalized value of the living unit. To qualify, a person would have to be 65 or over, have an income of less than \$5,000 a year and have lived in Michigan 5 of the last 10 years.

The 24 sponsors — out of the Senate's 38 members — included Republicans Haskell Nichols of Jackson and Garry Brown of Schoolcraft.

Harden Dinner Tonight Sellout

The largest dinner audience ever assembled in Marquette will pay tribute tonight to Dr. Edgar L. Harden and his outstanding record of achievement during 10 years as president of Northern Michigan University.

Led by Gov. George Romney, the principal speaker, Upper Peninsula citizens and leaders from throughout Michigan will honor Harden for advancing Northern from a small "teachers' college" to a university that has attained national recognition and for his many other accomplishments on behalf of the Upper Peninsula.

The occasion will be the annual Marquette Chamber of Commerce dinner meeting, which has been designated "Edgar L. Harden Night."

Six hundred and fifty reservations have been received for the dinner meeting. That is the maximum number of people who can be accommodated in the Great Lakes Rooms of the University Center on the NMU campus.

The sellout attendance was assured several days ago, and the Chamber set up a waiting list so that others wanting to attend might be accommodated if there were last-minute cancellations.

"It is most fitting that we honor President Harden for the leadership he has given the Upper Peninsula and for the example and image he has set for Northern throughout the entire Midwest," commented James C. Braddock, immediate past president of the chamber, who is chairman of tonight's meeting.

Braddock and his committee members have been planning details of the dinner meeting since last September.

W. H. Treloar, general manager of the Marquette Mining Journal, will be master of ceremonies.

Mike Gafner, former star pitcher for Escanaba High School and the Esby Cubs, is one of five freshmen hurlers invited to take part in winter baseball practice with Coach Danny Litwhiler's varsity team at Michigan State . . . Drills are held two hours daily under actual game conditions in the arena of the Men's Intramural Building on the MSU campus in East Lansing . . . Gafner, who was also a football quarterback at Esby, is a 6 foot, 185 pounder.

If you're interested in seeing the Stephenson 1936 Class B state championship basketball team in their regular game Saturday night at the Stephenson High School gym, tickets are available here in Escanaba . . . Oscar Nelson, a member of Coach Guss Lord's team that fashioned a 22-1 record that year, has a number of adult tickets for sale . . . He may be reached at ST 6-1347.

Gladstone will be host to the annual Upper Peninsula Lions bowling tournament next month . . . The tourney will be rolled at the Midway Lanes the weekends of March 19-20, 26-27 and April 2-3.

Coach Tom St. Germain's Pellston Hornets are turning in one of the most successful seasons in the history of the downstate Class D school . . . Pellston has a 13-1 record this season while playing mostly larger Class C schools in the northern portion of Lower Michigan . . . The Hornets were pummeled . . . 10 in this week's state Class D Associated Press poll . . . St. Germain, native of Baraga and graduate of Northern where he played varsity basketball, was Upper Peninsula basketball coach of the year in 1953 at St. Joe.

Dennis McCullough of Dollar Bay is a regular on the Harvard University hockey team this season . . . Hampered by an injury early in the season, the Copper Country native has scored five goals and two assists in the last four games of which Harvard has won three.

Gogebic College of Ironwood, beaten in its last two starts by Soo Tech, rebounded with a big 97-68 victory over Eveleth as former Ironwood prep star Craig Farrell tallied 26 points . . . Eveleth had earlier handed the Samsons their lone Northern Junior College Conference setback in a 10-1 record.

Night To Remember For Irish, Redmen

By The Associated Press

It was a night to remember for the Irish of Notre Dame and the Redmen of St. John's University in college basketball. The Irish snapped a 13-game losing streak and the Redmen won in Philadelphia for the first time in seven years.

Notre Dame's first victory since Dec. 15 when the Irish downed Bowling Green was a decisive 84-61 home decision over Butler Wednesday night. Led by Jim Monahan's 19 points, the Irish opened a 12-0 lead and had little trouble winning their fourth game against 15 defeats.

In contrast, the Redmen from New York had to go two overtimes for a 75-72 squeaker over Temple. It was St. John's first victory in the Palestra at Philadelphia since Jan. 6, 1959.

Bob McIntyre's basket in the closing seconds of regulation time tied the score for St. John's at 61-61 after Sonny Dove prevented a possible winning lay-up by Temple's Jim Williams by knocking the ball out of bounds.

Williams' two free throws gave Temple a 65-65 tie at the end of the first overtime. But with five seconds left in the second extra period and St. John's ahead 73-72, he missed twice from the foul line. In the last seconds Temple's Chris Kefalos fouled Henry Cluess who made good on two free throws for St. John's final points.

Clarence Brooks of Temple was high scorer with 26 points. Dove topped St. John's with 24 while McIntyre got 21. The game was part of a doubleheader. Lafayette beat LaSalle 93-81 in the opener.

The Providence Friars and the St. Joseph's Hawks of Philadelphia, the only teams in The Associated Press Top Ten to see action, each won handily. Back at home, after Sunday's upset defeat by Duquesne, the sixth-ranked Friars whipped Fairfield 74-62 behind Jim Benedict's 25 points. The eight-ranked Hawks crushed Seton Hall 110-64, the worst home-court defeat ever suffered by the Pirates.

Henry Finkel's basket with 54 seconds left put Dayton ahead of Xavier of Ohio 72-71 and his two free throws with two seconds to go sealed the Flyers' 76-73 road victory over the Musketeers. It was Dayton's 17th triumph against three defeats.

Bob Lewis scored 34 points for North Carolina, but the Tar Heels were beaten by NYU 83-78 in the feature of a doubleheader at New York's Madison Square Garden. Richie Murphy's 22 points, combined with Tom Greely's two free throws in the last minute, gave Holy Cross a 68-66 victory over Manhattan in the Garden first game.

Auburn and Alabama scored road victories in the Southeastern Conference. Auburn whipped Florida 86-66 and Alabama downed Mississippi 79-60.

The Providence Friars and the St. Joseph's Hawks of Philadelphia, the only teams in The Associated Press Top Ten to see action, each won handily. Back at home, after Sunday's upset defeat by Duquesne, the sixth-ranked Friars whipped Fairfield 74-62 behind Jim Benedict's 25 points.

Henry Finkel's basket with 54 seconds left put Dayton ahead of Xavier of Ohio 72-71 and his two free throws with two seconds to go sealed the Flyers' 76-73 road victory over the Musketeers. It was Dayton's 17th triumph against three defeats.

National Hockey League Expands; Six New Teams

NEW YORK (AP) — The National Hockey League, spawned in Montreal with four Canadian and no American teams 48 years ago, has moved to within shooting distance of completing its expansion program by granting six new franchises, each to groups representing U.S. cities. Los Angeles, San Francisco-Oakland, Philadelphia, Pittsburgh and Minneapolis-St. Paul were given the green light Wednesday after the NHL's Board of Governors reviewed 13 applications from eight cities during the three-day meetings. In addition, St. Louis received a conditional franchise.

Bids by delegations from Vancouver, B.C.; Baltimore, and Buffalo were rejected.

The 12-team, two division, coast-to-coast operation is geared to start in October 1967. If present plans materialize, 10 of the 12 teams in the projected setup will be based in the United States. The Montreal Canadiens and Toronto Maple Leafs would be the only NHL entries from north of the border.

The awarding of the St. Louis franchise is subject to approval of an applicant satisfactory to the board of governors by April 5, 1966. Otherwise, said league President Clarence Campbell, a franchise will be granted to a Baltimore group headed by Zanvil Krieger, a major stockholder in the Baltimore Orioles' baseball club.

So, this is the way hockey's big league, which has had the same six teams since 1942 when

the Brooklyn Americans disbanded, will likely shape up for the start of the 1967-68 campaign.

In one division, New York, Boston, Chicago, Detroit, Toronto and Montreal. In another division, Los Angeles, San Francisco-Oakland, Minneapolis-St. Paul, Pittsburgh and either St. Louis or Baltimore.

Each of the new teams will play a 74-game schedule, 50 games against clubs in their division and 24 against those in the present division. The same setup will exist for the current six teams.

"The current NHL is concentrated in the East," Campbell said. "The six new teams will constitute a division that will be

well-balanced geographically with two clubs in the East, two in the Midwest and two on the West Coast."

Want St. Louis
"We want a team in St. Louis because of its geographical location and the fact that it has a suitable building," Campbell said. "But we have received no applications."

It was learned later, however, that a 16-man group was ready to apply for a St. Louis franchise. The group is headed by Stan Musial, former Cardinals' baseball star, and his partner in a restaurant business, Biggie Garagnani.

Jack Kent Cooke, owner of the Los Angeles Lakers of the National Basketball Association,

was awarded the Los Angeles franchise. He was given the nod over four other groups from that city.

George Fleharty, president of the Shasta Corp., which owns the Ice Follies, is the majority stockholder in the San Francisco-Oakland group. Bing Crosby is a member of this group.

The Minneapolis-St. Paul franchise was awarded to an eight-man syndicate which includes television station owners Bob Ridder and Gordon Ritz, and Walter Bush, an attorney.

State Sen. Jack McGregor of Pennsylvania and Art Rooney, owner of the Pittsburgh Steelers of the National Football League, are among the 31 investors in the Pittsburgh operation.

The majority stockholder of the Philadelphia syndicate is William Putnam, a banker.

Eligible For Cup
The teams in the new division will be eligible to compete for the Stanley Cup, hockey's post-season championship, Campbell said. However, he explained that no playoff plans incorporating the new division have been made.

The cost of each new franchise is \$2 million and will entitle each group to buy 20 players from the current NHL teams. No plan of allocating the players has been worked out.

The Montreal Wanderers, Montreal Canadiens, Ottawa Senators and Toronto Arenas were the original members of the NHL which was organized Nov. 22, 1917.

The Boston Bruins, in 1924, were the first American team to join the league while New York, Chicago and Detroit were ad-

Eskymo Scorers Gain On Leader

Three Escanaba Eskymos have jumped into the top ranks of Great Northern Conference scorers, according to this week's statistics released by Ken Peterson of Escanaba.

Paul Miller, 6 foot 1 inch junior forward, climbed to the No. 3 spot with 94 points. Jim Uecke of Menominee is setting the pace with 119, followed by teammate Pat Miller with 101.

Esky guard Rick Kuchenberg is fourth with 79 and Dave Nyquist, 6 foot 5 inch junior center at Escanaba, is sixth with 65.

Stephenson continues to pace the league with its 4-0 record while Escanaba and Menominee are tied for second with 4-2 marks. The lone league game this weekend has Menominee invading Holy Name Friday night. All other teams have non-conference contests on tap.

The league statistics:

Team	W	L
Stephenson	4	0
Escanaba	4	2

Northern Game Against Tech Slated For TV

MARQUETTE — Northern Michigan University's final home basketball game of the season, against Michigan Technological University next Monday night, will be telecast throughout the Upper Peninsula via cable by WNMN-TV.

Northern's educational television network.

Live coverage of the contest will begin at 8 p.m. (EST) from the C. B. Hedgcock Fieldhouse on the Northern campus. Gil Heard, Northern's sports information director, will handle the commentary.

The game may be seen by cable viewers on channel 3 in Marquette and Iron Mountain, channel 4 in Escanaba-Gladstone and Ironwood, and channel 6 in the Copper Country.

A special feature of the live telecast will be a halftime presentation to Wildcat cager Gene Summers, who will be playing the final home game of his career. Summers will be presented with his 1965 NAIA All-America certificate and a basketball commemorating his 1,000th career point. The presentations will be made by NMU athletic director F. L. Ferzacca.

The basketball rivalry between Northern Michigan and Michigan Tech is the oldest in the history of both universities. Monday's game will be the 91st meeting. NMU holds a 56-34 edge. The Wildcats won a previous game this season, 113-69, at Houghton.

Monday night's television coverage will mark the second time WNMN-TV has provided a live telecast of a Northern home game. The first was Feb. 15, 1965, when the game with Minnesota-Duluth was carried as a part of the station's dedication programming.

Wildcats Hit Century Mark For 12th Time
NORMAL, Ill. (AP) — Northern Michigan, one of the highest scoring basketball teams in the country, pounded Illinois State 102-94 Wednesday night in a non-conference game.

It was the 12th time this season Northern has scored 100 points or more.

Gene Summers led Northern with 28 points and Steve Arends paced Illinois State with 27.

Northern, which is averaging 100 points per game, held a 56-48 halftime lead.

Drawings Set For Class C Tourney Here

Drawings for the Class C district basketball tournament to be staged at the Escanaba Area High School gym will be made Tuesday, Feb. 22, at 9:30 a.m. at the school.

Tourney plans were announced today by Harold Johnson, tournament manager.

Competing will be three teams — Stephenson, Marquette Baraga and Norway. The tourney will be staged on two nights, opening with a game March 1 and closing with the championship March 5.

Palmer Favored To Win Phoenix
PHOENIX, Ariz. (AP) — Arnold Palmer, off to his fastest winter tour start in history, was the man to beat as the \$60,000 Phoenix Open Golf Tournament opened today over a soggy Arizona Country Club course.

Palmer, who has a first, two seconds and a third in four starts this year, won the Phoenix event in 1961, 1962 and 1963.

Palmer and the rest of the field, which includes all five 1966 champions, were keeping an eye on the sky. Rain and hail forced cancellation of Wednesday's pro-am competition midway through the round.

Partly cloudy skies were expected today with a chance of more afternoon showers. Temperatures ranging from the mid 30s to the mid 50s were forecast.

Ken Venturi, the 1964 U.S. Open champ, was one of those most concerned with the cold. His hands, operated on last summer for circulatory problems, are easily numbed by chilly weather, and he must employ gloves and hand warmers on brisk days.

OUR BOARDING HOUSE

with Major Hoople

OUT OUR WAY

by J. R. Williams

School Board Buys Trucks

The Manistique Board of Education Tuesday night named Mrs. Duane Waters to represent it in budget review for the Delta-Schoolcraft Intermediate District.

The board voted to participate in a U. P. high school continuous, follow-up study of graduates proposed by Ishpeming schools and Northern Michigan University under the Elementary-Secondary Act.

A proposal to extend the grade school instrumental band program underway with 45 in public schools to include St. Francis School students was approved. Proposals to increase substitute teacher pay and that of the high school secretary was tabled. Sick leave credit use for study was approved for Mrs. Earl H. LeBrasseur and Elwood Erickson.

Land Price

A report was presented by Earl LeBrasseur on plans for locating state centers for educational materials. The total available fund for this is \$4,671,000, he said, and the U. P. center will probably be located at the U. P. branch of the state library in Escanaba initially.

In an executive meeting prior to the regular board session, limits of price in school board negotiations for property were set for the Lakeside area. A parcel 304 x 250 feet is being considered. It would be site for a new Lakeside Elementary School, for which a 2-mill levy has been voted for 5 years.

During payment of bills, approval was given to pay \$2776 to Hollenbeck Motors for a Dodge pickup truck which has arrived. A surplus government truck also has been purchased for \$100.

Allocation Reduced

A report was received on a Feb. 1 meeting which studied effects of reorganization on curriculum, necessary improvements desired for vocational education, and other areas.

The school's allocation under the Economic Opportunity Act has been cut from \$5251.20 to \$3,833.38. A portion of the adult school program was based on this and it is hoped grants will provide the difference, the superintendent reported. A proposal has been submitted to the department of education for an enrichment program.

Acknowledgement was made of the gift of a shaper to the school by Elwyn Anderson, Charles Rusiecki and George Schweikert assisted with arrangements.

Announcement was made of the U. P. school board members and superintendents conference in Marquette Feb. 18-19, and the Atlantic City meeting of school administrators Feb. 12-16. E. E. Wuehle and Denton Nelson, school board president are scheduled to attend.

Various reports were presented, including one by Mrs. Paul Larson on the advisory council for the adult school program.

MANISTIQUE

Mrs. Allen Erickson (Harbin's Studio)

Miss Warshawsky Bride Of Allen E. Erickson

Natalie Ruth Warshawsky, of Escanaba, daughter of Mr. and Mrs. Reuben Warshawsky, 165 N. Cedar St., became the bride of Allen E. Erickson, son of Mr. and Mrs. Arthur Erickson, Rte. 2, Bark River in a 4 p. m. ceremony Feb. 5 in Zion Lutheran Church.

The Rev. Ingmar Levin officiated at the double-ring service in which the bride was given in marriage by her father.

She wore a floor-length ivory white gown, empire style with old-fashioned lace at the waist, button-down back, wrist-length sleeves and long train, also trimmed with lace. Her flowers were a cascade of white orchids and stephanotis with ivy.

The Attendants

A pearl crown trimmed with iridescent borealis beads held her elbow length veil. Her jewelry was a pearl necklace and earrings, gifts of the bridegroom.

The bride's maid of honor was a sister, Mrs. Benjamin Gero. Bridesmaids were Julie Woodbridge of Detroit and JoAnn McDonough of Ishpeming.

Med-Facility Bond Sale Set

The Schoolcraft Board of Supervisors meets Thursday, Feb. 17 at 7 p. m. with opening of bids on \$225,000 in bonds for a medical care facility the chief agenda item.

A report on progress in planning for the structure adjacent to Schoolcraft Memorial Hospital also will be made.

Also on the agenda is consideration of sale of private land in Inwood Township, between Pete and Grassy Lake, to the U. S. Forest Service for campground development and expansion.

Reports will be received on the state supervisors' meeting and on an assessors' meeting scheduled Feb. 14-15.

Swamp Money Is Received

Swamp tax money totaling \$56,839.40 has been received from the state for townships and school districts. Payment this year is based on 20 cents per acre, on total acreage of 284,197.02. Last year the payment was 15 cents per acre and brought \$42,665.14.

Of the total, townships will receive \$4,810.95 and school districts, \$52,028.45. The distribution is on the basis of tax allocations for schools and townships.

Amounts to be received by school districts are: Hiawatha, \$20,114.79; Seney, \$18,048.04; Doyle, \$4,343.59; Germfask, \$2,190.58; Cooks, \$1,014.05; Mueller, \$450.61; Thompson, \$570.01. Township distribution is: Doyle, \$668.24; Germfask, \$156.46; Manistique, \$1,160.31; Mueller, \$69.32; Seney, \$2,468.93 and Thompson, \$87.69.

Honor Roll Is Announced

The semester honor roll for Manistique High School shows 26 freshmen, 20 sophomores, 24 juniors and 19 seniors receiving top scholar grades.

All A's were received by Jane Brunet, Farrah Golat, Marcia Hubble, Robert Males, Marvin Miller, and Mary Beth Waters in the freshmen class; and William McKilligan, junior class.

Others on the honor roll are:

9th grade - Dorothy Adams, Merry Jo DeSautel, Robert Ekstrom, Toni Ebbi, James Erickson, Arlene Jetty, Sheryl Kanerva, Kathleen Main, Bonita Moen, William Mott, Paulette Nelson, Christopher Orr, Melinda Orr, Diane Pace, Pamela Putvin, David Rood, Mary Ross, Joan Villeneuve.

10th grade - Sally Bonifas, Neil Bush, Deborah Cockran, Paul Demers, Patricia Denman, Linda Fannin, Ronald Haranda, Gloria Holbrook, Cheryl Jackson, Kristine Johnson, Karl Johnson, Mark Lindvall, Howard Magoon, Beverly Messer, Amy Olson, Michael Orhanen, Frederick Reid, Martha Stoll, Mary Jane Weber, Michael Wood.

11th grade - Laurel Archey, Diane Beaudre, Candace Beck, Surac Bonner, Maureen Creen, Robert Davidson, Mary Dougherty, Lynne Frenette, Justine Gorsche, Robert Hood, Vicki Lustila, Sharon Martin, Carol McCarrick, Marcia Pappas, Joanne Peterson, Brian Pike, Ann Sample, Julie Sellman, Dan Sikarski, Lynda Sundin, Gary Thompson, Andrea White, Jeanne Weinert.

12th grade - Dan Anderson, Tom Brawley, Jean Brown, Barbara Burley, Sharon Charter, Karen Estren, Rosann Fleck, Molly Holohik, Mary Lou Hyland, Rebecca Johnson, Pierre LaFolite, Karen Larson, Doug Nelson, Mary Peterson, Gregory Pike, Linda Schmidt, Molly Sellman, Pat Ann Weber, Frances Woodruff.

All distances in Cuba are measured from a 24-carat diamond set in the floor of the capitol in Havana.

Maple Syrup Meet Planned

A 1-day institute on maple syrup production is scheduled in Engadine Township Hall Feb. 15 from 10 a.m. to 3 p.m. A program has been arranged by the Cooperative Extension service and will include discussions on production, collection, marketing, sales to tourists and future trends. A pancake lunch with maple syrup will be served.

Workshop On Strawberries Set

A workshop on strawberry production is planned at Chatham Feb. 15 at 7:30 p.m. at the Michigan State Experiment Station conference room. Varieties, weed control and irrigation will be discussed.

Briefly Told

State Police ticketed Richard J. Brace Jr., of Hazel Park for speeding.

Ida Lancour was taken by ambulance from Schoolcraft Memorial Hospital to Lakefield Rest Home at 1:55 p.m., Wednesday.

The Schoolcraft tax department has reminded owners of personal property that Feb. 20 is the deadline to file statements of ownership. Estimated assessments will be made for those not filing.

The American Legion Auxiliary meets at the home of Mrs. Clifford Cool Monday, Feb. 14 at 8 p.m. Pot luck lunch will be served and a white elephant sale conducted.

A car driven by Kenneth G. Muzzy, 53, of Iron Mountain overturned on U.S. 2 near the Big Fishdam River in Garden Township at 6:15 p.m. Feb. 8. State Police report. Muzzy's car struck an icy patch and skidded out of control, officers said. No one was injured.

Social

St. Elizabeth Circle
St. Elizabeth Circle of St. Francis de Sales church met Tuesday evening at the home of Mrs. John Kelly with Mrs. Lowell Varvil assisting. Mrs. Edward Farrell, leader conducted a brief business meeting in which a dinner was planned March 10 with Mrs. David Kelly as chairman. Members were invited to attend dressed in little girls' clothing, and juvenile games were played. Mrs. W. F. Kefauver won the special award. The next meeting is April 5.

Sports In Brief

ATLANTA, Ga. (AP) — Versatile Felipe Alou, who batted .297 and collected 165 hits last season, has signed his 1966 contract with the Atlanta Braves of the National League.

NEW YORK (AP) — Huge Buster Mathis of Grand Rapids, 7-0, meets Jerry Quarry of Los Angeles, 14-0-1, in an eight-round heavyweight clash at Madison Square Garden March 4. In a co-featured eight-round, Olympic champ Joe Frazier of Philadelphia meets Dick Wiperman of Buffalo, N.Y.

NEW YORK (AP) — Northern Michigan, with a 10-2 record and three first-place votes by Associated Press sports writers and sportscasters, slipped one notch to fourth place this week in the AP's small college basketball poll. The leader was Southern Illinois, 14-3.

1. Card of Thanks

Schneider

We wish to express our sincere thanks and appreciation to the hospital staff and doctors, our friends, neighbors and relatives, who by their acts of kindness in the recent death of our beloved mother, Mrs. Mary Deros, helped to lighten our burden of sorrow. We especially thank the Rev. Robert Kennedy, the pallbearers, the honorary pallbearers, the drivers, those who loaned cars, St. Bernardette Circle, Messier-Broulliere Funeral Home, and the many friends who sent gifts, floral and spiritual bouquets. These acts of kindness will not be forgotten.

Mr. and Mrs. Michael Deros Sr.
Mr. and Mrs. Leo Schneider

Hull Blanked As Hawks Win

By The Associated Press
The Detroit Red Wings blanked slumping scoring star Bobby Hull Wednesday night, only to find out it takes more than that to whip the Chicago Black Hawks.

Hull, bidding to become the first man to break hockey's 50-goal barrier, was blanked for the third straight game Wednesday night but the Black Hawks nipped Detroit 2-1 and took over first place in the NHL standings.

Toronto's Terry Sawchuk turned in his 98th career shutout, blanking the New York Rangers 3-0 in Wednesday's only other game.
Hull, with 44 goals in 48 games, still has 22 games in which to break the record he shares with Maurice Richard and Bernie Geoffroy. The Red Wings kept him off the scoreboard but couldn't snap the hex Chicago has over Detroit this season.

The Hawks, who've won four of their last five and own a two-point bulge over Detroit and Montreal, won it on Chico Maki's third period goal. Maki picked up a pass from Pat Stapleton and whistled a 15-footer past Roger Crozier from a tough angle at 4:07.
Glenn Hall made the goal stand up as he kicked out 13 of Detroit's game total of 30 shots in the final period. It was Chicago's eighth victory in 10 starts against Detroit this season. The Hawks have picked up 17 of a possible 20 points in their meetings with the Wings.

Sawchuk, who holds the NHL record for shutouts, battled New York's Ed Giacomin on even terms through a scoreless first period but got the margin he needed when Bobby Pulford netted his 21st goal of the season in the middle session.
Dave Keon and Ron Ellis wrapped it up for the Maple Leafs by scoring inside of 70 seconds in the third period.

City Employees Under Contract

WYOMING (AP) — Approximately 176 municipal workers in this Grand Rapids suburb were covered today by a labor contract, one of the first in Michigan under Hutchinson Act revision.

Members of the Wyoming City Employees Union voted 85-2 Tuesday night to ratify the three-year pact approved by City Commission. The contract calls for wage increases of 19 cents hourly per worker between now and July 1.

It provides for an immediate 2.5 per cent increase and another 5 per cent July 1. It also provides for an additional 2.5 per cent cost of living increase if the cost rises two per cent by Jan. 1.

The contract also calls for a closed shop except in cases of deep personal conviction or religious reasons for individual employees.

Shad Cocktail

CHICAGO (AP)—The city is buying \$6,000 worth of fish net, but not for catching fish.

The idea, said John F. Ward, city purchasing agent, is to avoid a catch of alewives this spring in the water intake pipes in Lake Michigan. Alewives are small fish related to the herring.

The alewives were so plentiful last April, Ward said, that the intake pipes were blocked.

Machinists Vote To Strike Airline

MINNEAPOLIS (AP) — Members of Airline District 143, International Association of Machinists and Aerospace Workers, have voted to strike North Central Airlines which serves about 90 Midwest communities.

Elton Barstad, district president and general chairman, said a strike cannot take place until Feb. 20 because of a 30-day waiting period required by the Railroad Labor Act.

Barstad said no talks are under way and none have been scheduled.

About 500 mechanics and related personnel are seeking higher wages, additional vacation time and increased health and welfare benefits. Details of the demands are not being announced at this time, Barstad said.

The union contract with North Central expired more than a year ago.

Real Estate Course Open

Registration for the real estate law course taught by Atty. Clair Hoeft of Gladstone and sponsored by the University of Michigan Extension Service and the U. P. Board of Realtors will close Friday at 5 p. m. The class meets from 7 to 10 p. m. on Tuesday nights in Bay de Noc Community College. Registration may be made at the U-M Extension Office, State Office Building. Persons over 65 can register for half-fee.

RICHARD W. ANDERSON, communications technician U.S. Navy, son of Mrs. Thomas F. Anderson, 1610 10th Ave., N., recently completed a 30-day leave and has returned to new duty assignment at Swaggs Island, Calif. A 1962 graduate of Escanaba Area high school, Anderson enlisted in the Navy in Feb., 1963.

Wounded

BELDING (AP) — Former State Sen. John Stahl of Belding reported today that his son, Paul, 20, a Marine lance corporal, suffered shrapnel wounds Feb. 7 while on combat patrol near Da Nang in Viet Nam. The corporal was reported under treatment at the Da Nang Naval Hospital for a broken arm and other injuries.

Doctor Stresses Eye Examinations In PTA Address

CARNEY — Dr. Patrick Turcott, Menominee optometrist, stressed the importance of eye examinations for children, in a speech before the Carney-Nadeau PTA.

Turcott said an increasing number of children need eye correction and that if they don't receive it their educational progress can be retarded.

The group also heard reports on the fluoride clinic, Christmas fund and milk fund and made plans for a bake sale to be held at Peterson Bros. IGA store and at Trombley's Superette Friday. Proceeds from the sale will go to Bay Cliff Health Camp at Marquette.

Hostesses for the program were Mrs. William Salo Jr., chairman, Mrs. Joseph Szapa, Mrs. Leo Anderla, Mrs. Ernest Sunilla, Mrs. Cleo Dombroski and Mrs. Robert Miller. Mrs. Lawrence Charlier won the special award.

Snowdon Works

NEW DELHI (AP) — The husband of Britain's Princess Margaret is on a three-week assignment in India as a photographer.

A British spokesman confirmed that Lord Snowdon will make a tour of India to do a photo feature for the Sunday Times of London.

Lord Snowdon arrived here Saturday.

State Briefs

MUSKEGON (AP) — Once a lumber industry boom town, Muskegon will be host this summer to the first annual U.S. log rolling championships. The event, announced Wednesday, will be part of the annual Seaway Festival, scheduled July 2-10. E. C. McCulloch, executive director, said the new event has the official approval of the U.S. Log Rolling Association which stages the annual world log rolling championship at Hayward, Wis.

NEWBERRY (AP) — Ashton K. Hayes of Emmet County is the new chairman of the 37th District Road Commissioners Association. He succeeds John P. Morrow of Cheboygan County. Charles J. Lavender of Luce County was chosen vice president at the association's meeting here Wednesday.

JACKSON (AP)—William D. Monroe, Jackson city engineer, estimates Jackson's elms will be dead in four years and that to keep up with the deaths the city will have to spend \$200,000 over that span for removals. City Commission recently voted to abandon spraying against Dutch Elm Disease.

Food School

A two and one-half day conference for restaurant operators and food service operators of resorts, motels and hotels will be held on campus of Michigan State University, East Lansing, March 21-23.

CATV

HOLLAND (AP) — Booth-American Communications Co. of Detroit has applied through the city clerk's office for a license to establish a community antenna television system in Holland. It is the first applicant in Holland which adopted an ordinance, effective last Jan. 1, for the licensing and regulation of such programs.

Linda Smith Is Winner Of Calf

The Chatham Lion's Club Agricultural Committee essay contest was won by Linda Smith, daughter of Mr. and Mrs. Robert H. Smith, Eben Junction. She won the purebred Holstein calf, a daughter of Brenda Denise Graphic. Her sire is Lockway Johanna Posch Lucifer of the Michigan Livestock Breeder's stud in East Lansing. Brenda Denise Graphic was won, as a calf, by Del-

la Maki of Eben Junction, in November of 1963—also in an essay contest sponsored by the Chatham Lions.

First-runner-up was Betty Smith, Linda's sister, and the second-runner-up Treasa Howard, daughter of Mr. and Mrs. Charles Howard of Chatham.
